In Michigan... at a picnic, beer is a natural

When you're relaxing at your favorite outdoor beauty spot with friends or family, and your thirst is whetted by fresh air and exercise - that's the ideal time for a cool, refreshing glass of beer. In fact, you can name your recreation - swimming, hiking, or just watching TV - and chances are nothing in the world fits it quite as well as beer.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom - and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.
