LOVING CARE

In every business, as in every life, there must be a deep and vital philosophy which guides and identifies. Ours is CHARACTER. Every day of our lives is dedicated to a continuity of purpose and ideal. When we say LOVING CARE we mean just that! Every member of our staff LOVES children and CARES (many, many times beyond the call of duty) about how they are fitted and in what they are fitted. In footwear, there are two who care about your children's feet: you and Julliard's.

EXPERIENCE

Our personnel represents over one hundred years of cumulative fitting experience. But we do not stand on past experience. We are constantly studying, analyzing, comparing and equating, retaining from the past that which is good and adding the best of what is new! Our experience is at your service.

SIZES, STYLES, LASTS

We are known by the company we keep; manufacturers who are guided as well by the restless, ceaseless idea that good enough is not good enough! Every last, every pattern is chosen with deliberation and care and each is backed with a comprehensive range of sizes and widths. If only the best is good enough for you, join hands with Julliard's and the company we keep: KALI-STEN-IKS, JUMPING JACKS, KALI-PEP-IKS, SIMPLEX FLEX-IKS, DRESS UPS BY ALEXIS, MISS SANDLER and SABEL PRESCRIPTION SHOES.

OWNER SUPERVISION

Sorry! No out-of-town ownership; no intermediary supervision; no long-distance management. We are here, on the premises every day (except for a few Spring days when the lure of a trout stream is over-powering) watching everything that goes on, demanding individual and undivided attention to each customer regardless of how many may be waiting. We have time, too, for a bit of friendly chit-chat or to offer you a friendly cup of fresh-brewed coffee. We think this adds up; if it doesn't, tall us! We're good listeners, too!
