If you homeowners have answered your door bell in recent months to find a pretty Girl Scout or a handsome Boy Scout selling cookies or candy for a worthwhile cause, you may feel that the scouts are always on the receiving end.

This is not the case, as evidenced by the latest undertaking of Cadette Girl Scout Troop 995 from the Bloomfield Hills Junior High School.

The Cadettes have been proud to serve their community when called upon, such as distributing pamphlets for the Michigan Cancer Society and they have accepted the opportunity to help during the oral polio immunization program beginning April 19 throughout the community.

Cadette Troop 805, also of the Bloomfield Hills Junior High School, under the leadership of Mrs. H. C. Mehlbacher, assisted by Mrs. Robert Scott and Mrs. Ray Mattson, will also assist in the program.

CADETTE TROOP 995 is under the leadership of Mrs. Theodore Duncan, Assistant leader is Mrs. Ray Dial and Troop Consultant is Mrs. J. B. Roberts. The Cadettes (8th, 9th and 10th graders), and their leaders worked diligently this past year to earn the standard first aid certificate from the American Red Cross.

The new slate of officers of the Walnut Lake Women's Club was presented at the April 7 meeting.

Re-elected were Mrs. Russell Bows as treasurer and Mrs. Donald Watkins as corresponding secretary.

MABEL SCHULTZ of Mabel's Herb and Flower Shop on Walnut Lake Road will be guest speaker Monday at the "Talk of the Town" luncheon series at the Hotel Whittier in Detroit. Her topic: "A Pinch of Herbs."

Mrs. Earl Stuckey of Fieldbrook Road will give a luncheon for eight this Saturday.

THE COUPLES club of St. Andrew Lutheran Church met at the church April 4 for a roast beef dinner and evening of games.

Among the 22 couples present were Pastor John Root and Mrs. Root; the George Bywaters and their guests; the William Montague of Carey Lane; the Roger Snelmans; the Clarence Myrolds; and the Robert Donleys.

THE DONLEYS had as guests last week on a four-day visit his parents, Mr. and Mrs. R. E. Donley of Buchanan, Mich.

THE LYNN Barbers of East-moor Road and the Neale Schermerhorns of Old Orchard Drive returned March 30 from a 10-day Caribbean cruise aboard the Italian liner, Franca C.

The two couples flew to Miami and boarded the ship at Port Everglades. Places visited were San Juan, St. Thomas and Jamaica. As with the Walter McPhails of Hedgewood Drive who were in the Caribbean in February, Jamaica was the favorite port of call.

One highlight of the visit to that island was a three-hour ride on a raft down the Rio Grande River.

The Latin American dance les-

sons the couples have been taking at Jack Barnes studio added zest to the trip. A bottle of champagne was awarded to Mrs. Schermerhorn for her chs cha.

OTHER RETURNING vacationers include the John Phelps of Walnut Lake Road. With their daughters, Janis and Nancy, they visited relatives in New York State during Easter week and spent a day at Lake Placid in the Adirondacks.

The Fred Timmer family of Ogden Drive visited the senior Timmers in Pine Bluff, Ark.

The Richard P. Sloans of W.

Long Lake Road spent 10 days on Grand Bahama Island. They were off again on Good Friday with daughter, Savilla, and Mary Finer, fiancée of their son, Pvt. Richard P. Sloan, Jr., for a visit with him at Fort Monmouth, N. J., where they stayed at the post guest house.

Scouts learned that French children do not go to school on Thursday but do go all day Saturday, and may be required to go on Sunday as a disciplinary measure. Francois was impressed with

the close relationship American students have with their teachers and also said the music and art classes and libraries were superior to any he had known in French schools.

# Now you can get an 18-foot, two-ton Chrysler for less money than one of those jazzed-up compacts with a big car name on it.

Let's face it. You can't make a big car out of a compact (even when it has a big car name on it) no matter how many extra-cost options you add.

Right now, today, you can drive an 18-foot, two-ton Chrysler Newport sedan for less money and a lot less trouble.

You'll get the room you want. Weight to handle the

road. Power for the tight spots. And the luxury you get only in a big car.

You'll get more value, too—things that cost you extra on a smaller car. Like a 361-cubic-inch V-8 engine that runs on regular gasoline.

So why settle for less than a Chrysler—now that price is no longer a factor?
