Executive Session
The newly elected officers comprising the executive board of the Bloomfield Shopping Plaza's Businessmen's Association are (from left) Nate Chalnick of Chase Cleaners, executive vice president and advertising chairman; Don Thomas of Don Thomas Sportshaus, treasurer; William Damman, of Damman Hardware, vice president, maintenance chairman; Chris Colombo, Colombo's Barber Shop, president; Edward Evers, Kresge's, secretary.

BEHIND the STORE FRONTS
With ANGUS MCKELLAR
The firms include the Borstrand factory (stoneware and dinnerware), Sweden, Georg Jensen (silver), and B.oyal Copenhagen (china, of course), of Denmark; the Arabi factory (dinnerware), Finland; and others that are convenient which time will permit visiting. Through her first hand experiences, Mrs. del Gaudio hopes to bring back some especially interesting ideas.

David E. Davis, well known to furniture buffs hereabouts, who formerly operated his unique furniture and antique store on Hamilton Row, decided that his quarters were too cramped there. He is now located at 4312 N. Woodward, two blocks south of 14-Mile Rd. The new building will make possible the acceptance of more work in repair and refinishing. He will also continue to take orders for special furniture pieces.

MRS. CHARLES DEL GAUDIO, of the Pierce Street del Gaudio, is finishing a host of chores before leaving on a business trip April 27 for Europe, via Scandinavian Air Lines. Her itinerary includes Finland, Sweden, and Denmark. She plans to visit the factories and workshops abroad which constitute del Gaudio's European suppliers.

B'ham Federal Opens Office In Township
Ribbon cutting ceremonies will be held at 9 a.m. Monday at the new Birmingham Federal Savings at W. Maple and Lahser, Bloomfield Township.
Early American in design, the new facility included two drive-up windows. The entrance for the drive-up windows is on Lahser just north of Maple and the exit is on Maple.

THE INTERIOR decor follows the early American theme with peccan and colonial white complemented by gold carpeting.
Robert Edwards, manager of the office, said the building also includes a community room outfitted for groups to hold meetings. He said there was no charge for use of the room and hoped it would become a center for community activities.

Speaking in K.C.
Dr. John Wood of Birmingham will be a featured speaker at the 32nd annual National Osteopathic Child Health Conference, April 27-29, at the Municipal Auditorium, Kansas City, Mo. Dr. Wood's topic will be "The Premature Infant."

Named VP
Charles E. Williamson, 1281 Covington, Bloomfield Township, has been elected vice president, industrial division, R. C. Mahon Co., of Detroit. Williamson joined the company in 1946. He held several sales engineering assignments before his first managerial post as assistant division manager in April, 1963.

CONSERVATIVES
The Communists are determined to destroy entirely the three great human loyalties—to God, to country, and to family. Most Americans are not even aware of the Communists' hands at work in this destruction going on all around them.
If you want to save the glorious country and heritage which we ourselves inherit, first investigate our constructive opposition to Communism. Education is our basic strategy and truth is our only weapon which the Communists fear. For if enough people in the United States know the truth, for instance, as to what and who are behind the present racial agitation there would not even be any Civil Rights Act now pending in the Congress.
There is nothing secret about our activities, but we'll send your material in a plain envelope if preferred and nobody will contact you unless you request it. Preliminary information free. Or our Introductory Packet postpaid for one dollar. Or our Special Packet, to give you at once a more adequate understanding of our background, methods, and purposes, postpaid for five dollars.
The time has come when you should find out for yourself. Address: The John Birch Society, Belmont, Massachusetts 02178.
