**Driving School Registration Ends Tomorrow**

Applications for the summer driver training programs at Groves and Seaholm High schools are being taken through Friday. Students who live in the Birmingham school district can pick up applications at the counselor's office at their respective schools. There will be three 3-week programs which will run six days per week from June 13-July 3; July 4-24; and July 26-Aug. 14. Students from public and private schools who live in the Birmingham School District should register at the high school they would attend if enrolled in a public school. There will be room for 140 students in each of the three driving sessions at both schools.

SELECTION IS MADE based upon the following criteria:

- Each student must be 15 years old at the time of application.
- A resident of the Birmingham School district.
- Have an application on file on or before May 3.
- Have written parent consent to participate.

THE 140 OLDEST applicants will be assigned to the first driving session, the second 140 to the second session and the third 140 to the third driving session at each school. Students attending morning summer school classes will be assigned to afternoon driving classes if at all possible. There is no fee for the course. The counseling office will announce those selected on May 20.

**Area Residents 'Adopt' Korean**

Mr. and Mrs. Wm. M. Grimes, 3875 Oakhills Dr., Birmingham, have financially "adopted" Kim Kyung Ho, an 8-year-old Korean boy, through Foster Parents' Plan, Inc., New York City. The Foster Parent has promised to contribute \$15 a month for the child's support for at least a year. A photograph and detailed case history have been sent to the Foster Parent. "Adoption" through Foster Parents' Plan is financial not legal. A warm, personal relationship is developed through a monthly exchange of letters.

PLAN TRANSMITS both original and translation, and the letters are treasured by foster parent and foster child. No foster child or foster parent is a number to PLAN. The foster child describes the near-miraculous changes in his life in letters to "Dear Foster Parent."
