# Sr. House Crown To Northwood Lanes

Northwood Lanes clinched first place in the Northwood Senior House by virtue of a three-point triumph over L & L Shell, 2,901-2,853, as second place Michigan Machine and Birmingham Bowl each won three points to remain tied going into the final week of bowling.

Top individual scoring honors in the Northwood-Shell match went to Shell's Dick Crossman and Doug Swords who fired 204, 247—631 and 204, 201, 214—619, respectively. Jim Milford Jr.'s 226 in 591 paced Northwood.

MICHIGAN Machine scored the week's highest series with 1,052, 1,071 in 3,030 to overwhelm Donar's 1,001 in 2,862. Jon Sevald with 243, 228—670, Joe Prey with 246, 256 in 661, and Dale Parsons with 225 in 601 led the Machine attack, while Dave Williamson's 211, 221 in 613 was high for Donar's.

Dale "I love golf" Roberts and Tiger Al Santelle provided the necessary fire-power for Torrence Oil to offset Karl William's 221, 200, 220—641 and gain a split in the Torrence-Tri-Vending match.

Roberts was flirting with 700 fame as he shot 222, 266 his first two games; a final game of 194 left him with a fine 682 series to go with golf-partner Santelle's 205 in 589.

BIRMINGHAM Drug combined most of its scoring in the second game, as Bob Hoerstman fired 243, Capt. Chuck Olin 248, Larry Brown 211, and sub Bob MacDonald 210 for 1,082 in 2,828 to win three points from Reichhold Chemical's 2,781. Alin's 593 paced Drug while George Clark's consistent 200, 206, 201—607 led Reichhold.

# Form Club For Sports Spectators

Local sports buffs will have an opportunity to meet some of their favorite sports celebrities, at least gain an insight to athletics if George Nault of Beverly Hills has his way.

Nault has announced the formation of Spectator Sports of America, of which he is president. The organization will sponsor programs designed to give fans inside background, new insights and a deeper appreciation of sports.

"WE OFFER our members, through active participation, and attendance as a spectator, healthful and wholesome activity in which the entire family can share," Nault said.

"Spectator Sports will not replace existing clubs in specific sports fields, but supplement them through expanded programs and opportunities otherwise not available to the average individual," he added.

Spectators will arrange a variety of meetings, conferences, flying trips to major sports events and hunting and fishing excursions. A Board of Advisors, consisting of prominent sports figures, consults with a coordinator for every event.

THE PROGRAM was formally launched at Northland Center Wednesday night with an auto racing show. The group has its offices in the community concourse at the center.

The organization hopes to sign up 500 members at $15 apiece, plus annual dues amounting to $6.

SPORTS FANS!
I BET YOU DIDN'T KNOW

By Dick Turner

Do you know who has made the longest hole-in-one in golf history . . . The record is held by a man who once was a major league baseball player! . . . He is Lou Kretlow, a former American League pitcher . . . In 1961, Kretlow made a 427-yard hole-in-one at the Lake Hefner course in Oklahoma City . . . Most golf experts have called that the longest hole-in-one of all-time.

• • •

It's not unusual for a baseball game to last three hours these days . . . But, do you know what the record is for the shortest 9-inning major league game of all-time? . . . In 1919, the Giants and Phils actually played a 9-inning game in, believe it or not, only 51 minutes!

• • •

Did you know that the famous Indianapolis 500-mile Memorial Day race was not always a 500-mile event? . . . Backin 1916, five years after the "500" was started, the president of the Indianapolis Speedway cut the distance to 300 miles because he felt a 500-mile race was too long to hold spectator interest!

I bet you didn't know . . . That now is the time to get your car ready for summer driving. Our service department is ready to put your car in first class shape for your vacation. Visit our service department today. Drive worry free!

# Men's League Starts Action At Springdale

The Tuesday night Springdale Men's Golf League will begin action on Tuesday with the first tee-up time slated for 5 p.m. Interested golfers should be on hand to register.

While in the past years, the league has been primarily set up on a team play basis with an individual head-on playoff for the cups at the end of the season, this year a new plan has been inaugurated.

EACH participant, according to handicap, will play the course. A point will be registered for each par, two for birdies and three for any eagles. At the end of the year, the player who has totaled the most points will be the winner.

Weekday prizes will be awarded for low gross, low net, fewest putts, closest to the pin of Nos. 6 and 7 and longest drive on No. 4.

A playoff at the end of the year will be divided into a championship and first flight, according to handicap, and winners will have their names inscribed on silver pitchers. A three-time winner will retire a trophy.

In the past seven years, Virgil Hartkoff has retired a championship trophy and Don Rielgelman has placed his name on the first flight trophy twice.

AN ENTRANCE fee of $5 is required for each participant while green fees will be paid on an individual basis. A limited number of guests will be allowed but residents are given first preference.

# Red Run Club To Celebrate 50th Year

Formal observance of Red Run Golf Club's golden jubilee will be held July 16 through 19, with a series of special events commemorating "fifty years of goodfellowship."

Announcement of the dates for the anniversary celebration was made by Thomas W. Pinney, 3415 Barlyn Lane, Bloomfield Hills, Red Run President.

PLANS FOR events commemorating the founding of the club in 1914 and highlights of its half-century of development and growth are under the direction of W. Colin Campbell, 2955 Bradway Blvd., Birmingham, immediate past president and chairman of the anniversary committee.

Red Run, organized and incorporated in 1914, is named for a creek which once wound through the property. The creek, which appeared on Oakland County maps as Red Run in the early 1800s, was so-called in memory of numerous Indian battles along its bank.

Pinney said the 50th anniversary celebration will include events appealing to all Red Run members and their families. Also planned is a special exhibit featuring pictures and souvenirs of the past commemorating highlights of the club's history.

ASSISTING Campbell with arrangements are A. F. Bassett, 1117 Suffield Rd., Birmingham; William B. Gass, 71 Oakdale Blvd., Pleasant Ridge; Dr. P. T. Lahti, 2200 Tottenham, Birmingham, and Joy F. McMullen, 17585 Muirland Ave., Detroit, the club historian.

IN THE second frame they added two more runs on no hits and two errors.

The Barons came through with their first tally in the fourth inning on a lead off double by Dave Todd followed by a clinch single by Gary Fischer.

They added another run in the fifth frame when Hoyt Byrum walked and Dave Robillard batted him in with his second hit of the day, a double to left field.

Brighton added their final run in their half of the seventh on a lead-off walk and a single by Ken Luttermoser.

THE BARONS set the stage for their dramatic come-from-behind victory rally when Bruce Perkins singled to center field after Fischer popped out for the first out. Anderson advanced Perkins to second on an infield single. Byrum grounded out to third for the second out. Robillard worked his way to first on a walk, taking several close pitches, to load the bases.

Miller followed with his double to left-centerfield on the very first pitch thrown by the new pitcher, Bruce Evenson, who relieved starting pitcher Joe Kearns. Evenson took the loss.

# World Open Plans Told By Network

Telecast plans for one of the area's major sporting events of the year — the Carling World Golf Championship—will be previewed Friday at a luncheon of the Aderaft Club of Detroit.

CBS, which will supply the TV coverage coast-to-coast of what will be the first open world competition in golf, will send a four-man team, including network Sports Director Jack Dolph, to handle the presentation.

CLUB MEMBERS can expect to hear about some of the new wrinkles CBS intends to incorporate into its pickup and transmission of play on the final six holes for each of the two concluding rounds of tournament play on Saturday and Sunday.

The Carling World event is scheduled August 27-30 at Oakland Hills Country Club. One of the coverage innovations CBS plans is use of a shotgun mike which can eavesdrop on a conversation between a player and his caddy from 50 yards out or more.

Other CBS speakers will be Howard Reifsnyder, producer; Frank Chirkinian, director, and Bill Brendel, sports publicity director. Exceeutive Vice President Robert C. Garretson of Carling Brewing Company will represent his firm.

CBS WILL also show Aderafters filmed highlights of the most recent foreign qualification play which determined the four Asian entrants for the Carling World.

In addition, Al Watrous, Oakland Hills pro, and Walter Burkemo, Detroit Country Club pro and former PGA champion and Franklin Hills pro, will show members and their guests how to clip strokes off their own golf game this summer.

# Remind Boaters of Tax

Area boat owners who use their crafts for navigating the Great Lakes and connecting waterways are reminded that they must obtain special boat plates by paying an annual tax provided for in the Tonnage Tax and Boat Plate Act.

This annual tax should not be confused with the registration and numbering of all motor boats, Secretary of State James M. Hare said.

"ALL MOTOR boats must be registered and numbered," Hare asserted. "This numbering fee costs $3 for each boat. We had a general re-registration of all boats last year, and the next re-registration will take place in 1966. In the meantime, all new boats and renewals must be registered by paying the $3 fee."

Hare said the special license plate tax is collected on an annual basis on any boat of 16 feet or longer using the Great Lakes or connecting waters. "Allt hese boats must obtain this special license including motor boats, sailboats and other boats propelled by any method other than by muscular power," Hare noted.

The registration numbering program is policed by local law enforcement officials, while the special annual plate tax is under the jurisdiction of the Department of State.

THE FOLLOWING tax rates were listed:

16-20 feet, $5; 20-28 feet, $15; 28-35 feet, $25; 35-42 feet, $35; 42-50 feet, $45; 50-65 feet, $75; over 65 feet, $1 per foot and $1 per ton additional for each gross ton.

This special tax may be taken care of at a number of branch offices of the Secretary of State, at certain marinas, or by contacting Watercraft Unit, Secretary of State, 300 E. Michigan Avenue, Lansing.
