Union Rules Changed Their Name

A change of name has occurred in the last few weeks. The Fugitives have been joined by the title of both sides of the recording charts. The other "U.S.C. & I.E." has not yet been confirmed, but the change will be announced. The Fugitives are now the new name for the band. The Fugitives are now the new name for the band that was previously known as the U.S.C. & I.E. They renamed themselves "The Fugitives" after the title of both sides of the recording chart. The new name will be announced shortly. A talented band has been developing under the name of "The Fugitives." The band has been working hard to develop their sound and style. They have released a single, "Love Me Tonight," which has been well-received by fans. The band is currently working on their debut album, and it is expected to be released later this year.

Sculptured for the Fair

Birmingham sculptor Marshall Fredericks, 440 Lake Park, is shown in his own Oak Dale studio with bronze and granite monuments 27 feet high. Now at the New York World's Fair, Fredericks' sculpture, one of four permanent structures at the fair, is located in the United States, United States, University and the Universities. The sculptures are on display at the New York World's Fair, and are expected to remain on display for the duration of the fair.

Youths to Talk

On U.S. Future

At Island Confab

Birmingham's youth is a young and active group. They are involved in several organizations, such as the "Youth-For-U" and the "Youth-For-U" Conference, which are promoting community service, leadership, and social issues. The conference is held on the campus of the University of Michigan, and is expected to attract hundreds of young people from across the United States.
