100 YEARS OLD, BIRMINGHAM? BUT YOU SEEM SO YOUNG . . .

and you really are ever-young because you're so spirited and creative, with the wisdom to grow carefully, preserving the timeless while changing the outmoded.

We're very proud that Davidson's has been the Signature of Fashion in Birmingham for 40 years (this is an important anniversary year for us, too) and we have always tried hard to emulate our unique community . . . keeping the timeless virtues of courtesy, friendliness and service while changing our fashion image constantly in order to improve and develop it even more. We try to bring to the increasingly-sophisticated (and always-youthful) Birmingham woman the finest selection of the most chic and desirable clothing available . . . and we cater to both the budget-minded bride and the jet-set social leader.

We think that we, too, are younger than ever and we love being a part of Birmingham . . . a town with a past rapidly on its way as the City of the Future.

HAPPY, HAPPY BIRTHDAY!
