Serving The
BIRMINGHAM AREA
For 28 Years

Triangle Furniture has come a long way from the small store at 128 South Woodward. That was way back in 1952 and it was known as Triangle's Colonial Shop; it contained 6,000 square feet of displays. Now, after serving the Birmingham area for more than 28 years, we're still expanding. The present location, 818 North Woodward, has over an acre of display space, including 50 model room settings and featuring the world's finest home furnishings. Continuing this expansion program, Triangle is now building a fabulous new store in Westland, that will open in early '65. The management of Triangle takes pleasure in saluting Birmingham during this Centennial celebration.

We Are Proud To Have Been
