

SOME THINGS CHANGE!

102 YEARS AGO — Birmingham was just a "gleam in the eye" of our founders who were wise enough to see the potential charm of this area which was a "fur piece", in fact, an expedition not to be undertaken lightly with a horse and buggy from the wilds of Outer Drive. Today Birmingham is an easy distance to the "big city", to resort and recreation areas in any direction and to all cultural and entertainment facilities and transportation to far corners of the earth.

72 YEARS AGO — the trailing skirt and parasol shaded pompadour—the slow waltz or Virginia Reel were just as alluring to the handle-bar mustaschioed swain of that day as the knit sheath and the "beetle beat" are today. Fashion, that fickle muse, only improves in the eye of the beholder.

52 YEARS AGO —

water heated on the range and poured into the wash tub for the Saturday night bath has been replaced by the shiny tile bath and sparkling kitchens with unbelievable equipment.

42 YEARS AGO — the moon was a weather omen and a boon to lovers — not a destination for adventurous space men. Even a trip to Detroit by the old Interurban was a daring voyage.

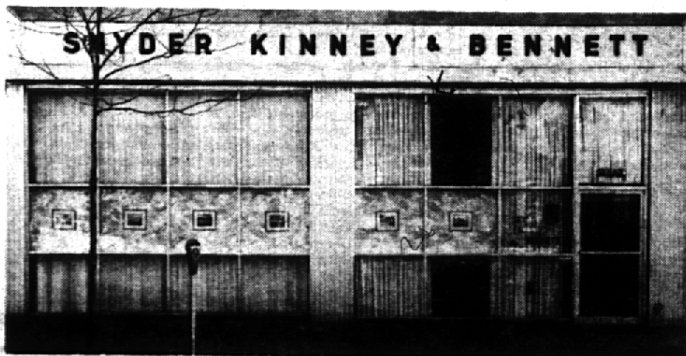

32 YEARS AGO — our firm (then Snyder, Buck & Bennett) was organized and ever since has been dedicated to the premise that Birmingham-Bloomfield is the ideal place for family living. For 32 years we have been operating in the same location and have always endeavored to help build a superior community and to conduct our business in a professional manner toward preserving the character of the City and insuring healthy progress. Some of the faces here have changed — some are still around —

BUT THESE THINGS NEVER CHANGE:

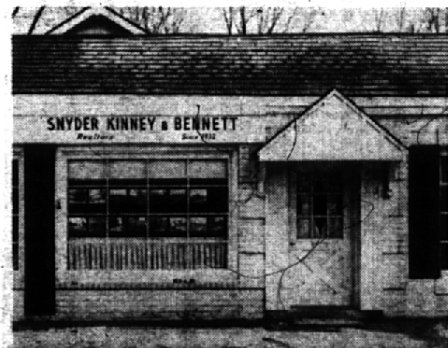

INTEGRITY — HONESTY — DEPENDABILITY

AND the innate desire of every family to have a home of its own in a fine community.
