LOOK HOW WE'VE GROWN!

Grandpa Sanders started it all. In 1875 he opened his first Sanders Store at the corner of Woodward and State in Detroit. He was convinced that quality products sold at reasonable prices would appeal to the people of Southeastern Michigan. The "Pavilion of Sweets" became a mecca for people who developed a taste for the young confectioner's good-things-to-eat.

**TRADITION
OF
EXCELLENCE**

NOW, 89 YEARS LATER...

Since that small beginning we've grown along with, and of course, because of the State. There are now 116 Sanders Stores and Supermarket Departments — seven in the Birmingham area! Today's good-things-to-eat are made with the same painstaking care and high quality ingredients that Grandpa Sanders demanded. We—his family—and the 2,000 Michigan people employed at Sanders are proud of this Tradition of Excellence. We will continue to serve you with the very finest Candy, Bakery and Ice Cream.
