## Birmingham and Kay Baum

It's been a case of love at first sight . . . since 1937 between Birmingham and Kay Baum! For Kay Baum's a friendly sort of place . . . always alert to what's going on . . . alert to the needs of the community. That's the reputation we like to think that we have built for ourselves . . . down to earth . . . sincere and genuine.

Thank you, Birmingham, at this Centennial time. It's been fun seeing you, and we are looking forward to serving you down through the years!
