

# OUR 39th YEAR!

**CONGRATULATIONS, BIRMINGHAM ON  
YOUR 100th ANNIVERSARY!**

We sincerely appreciate serving you through the years, and now onto the third generation of customers! In fact, we have occupied our present location since back in 1926 when the fire department was housed at the corner of Maple and Woodward. We thank you for the opportunity we have shared to grow with Birmingham.
