

Celebrating Our 35th Year Of Growth!

Happy Birthday, Birmingham, On Your Centennial Celebration

We, like you, Birmingham, are proud of our continuous growth and service to this area. With your help, we have become one of Allied Van Lines largest haulers of household goods, commercial display products and electronic equipment. Looking to the future, we are confident that both of us will enjoy even greater growth and prosperity in the coming years.

You are invited to come in and visit our warehouse where you will see the newest method of storage being used. It is called box palletized storage. Come see us; we have the only furniture storage warehouse in the city of Birmingham.

... and A HAPPY BIRTHDAY TO YOU,
BIRMINGHAM!

We didn't have room for 100 candles, but you can count one candle for each of Dickinson's 32 years in Birmingham! (It's 41 years since Dickinson's was first started.)

They have been fine years, and we have enjoyed bringing you fine men's clothes.

We thank you sincerely for your visits and your patronage. The pleasure has been ours, and, we hope, yours too!
