A budget calling for an increase of 60 cents per each $1,000 of assessed valuation was approved Monday night by the City Council of Lathrup Village.

The total tax rate, including five different tax rates, will rise to $13 per $1,000 of assessed valuation from the current level of $2.12.

The increase came with the approval of a special tax to provide for a city-owned garbage pickup service. The city now has a twice-monthly service.

Although the vote on the budget was unanimous, Councilman Vic

rent Scott did say that he felt the entire collection of special collections was unnecessary and was not financially for the city.

The current tax rates are: 4.80, 9.50, 11.50, 17.00, 25.00 and 28.00, with the new rate to be 30.00 for the city tax and recreation center.

The GENERAL, real tax rates at $2.12, the charter limit; the special garbage pickup tax, is $0.24; the city tax, $0.80; the recreation tax, $0.90; the building, $0.60; and the water sewer tax dropped 30 cents to $6.00.
