First Br. Rice Senior Class Set for Graduation Exercises

By JOHN MCGRICK
Special Writer

With little more than a dozen seniors left in the senior classes, Brinley High School seniors are thinking about how they will graduate tomorrow on June 15. Plans are being made to enable as many members of Brinley's first senior class to attend the exercises. A spokesman of the class said that an attempt would be made to gather as many graduates as possible.

The Brinley High School chapter of the National Honor Society has announced that it will present the Class of 1974 with a presentation that will be remembered for years to come.

The exercises are scheduled to begin at 9:00 a.m. in the auditorium. A message from the chapter will be read by the President, who will also present the Class of 1974 with a token of appreciation for their efforts.

The exercises will include speeches from the principal, who will present the Class of 1974 with a plaque to commemorate their achievements.

The Class of 1974 is proud of its accomplishment and is looking forward to the exercises with excitement. The chapter is grateful for the support it has received from the faculty and the community.
