Carnation Ball A Swingin' Affair No Matter Where

During the past few years it has almost become tradition for members of the Junior Symphony Association to hold their glamorous Carnation Ball at the Little Club in Grosse Pointe. This year's change of locale—party took place Saturday at the Oakland Hills Country Club—was not only a plus for those living in the Birmingham-Bloomingdale area but also proved geography doesn't mean a thing when it comes to success. This was a huge, swingin' affair!
