Frankly

we can't remember "way back when!"

Our memory (stretching just as far as we
can) goes back only to 1953, when our
first small ski shop opened in Ferndale.
Time enough, fortunately, to grow up with
skiing in this country, and earn a respected
place in the ski world.

But while Birmingham is celebrating its
Centennial...we can count in
months our membership in the business
community. We think of it as an added
challenge...making a place for ourselves
will take twice the trying...but you can
bet we'll be working at it. Year 'round,
we'll search out the unusual, the fancy the
wearable kind of casuals we think you'll
enjoy.

So here's to the second hundred years!

15 YEARS
OUT OF A HUNDRED...IS REALLY NOT
SUCH A LONG TIME! BUT...

It is long enough for us to realize very deeply that there is no place
in America quite like Birmingham!

Our sincere appreciation to all our friends and customers for making
our 15 years such happy ones. We are all looking forward to serving
you to the best of our ability in the future.
