Industry Samples At Northbrook

In George Knight's classroom, fly wheels, cosmetics and guitar strings repose on hastily-built shelves. Shoes, radio parts and sugar beets are tucked into corners and seat belts, cereal boxes and olives fill a closet.

Part of the regular teaching program? No, this is something special, a once-every-five-years project that has engaged the energies of Knight and his 90 fifth graders at Northbrook School since the first of the year.

"INDUSTRY ON Parade," a representative sampling of diversified Michigan industries, will open Monday, May 18, to help kick off Michigan Week, and will be on display in Northbrook's gym from 9 a.m. to 9 p.m. the entire week.

Local and neighboring schools as well as interested residents are invited to visit the display and see films on Michigan in adjoining classrooms. Fifth graders will serve as personal guides.

Torrey School in Birmingham and City-Country School in Bloomfield Hills have already accepted invitations to take their students to visit the exhibit.

NEWS OF THE SCHOOLS

Marian Seniors Participate In Annual Area Senior Day

By KATHLEEN DARGA
Special Writer

Marian seniors joined the graduating classes of Detroit Archdiocesan high schools to participate in the annual Senior Day May 17 at the University of Detroit stadium.

The Mothers' Club honored 12 students, recipients of scholarships or other honors, at its May 11 meeting. Mrs. Bodary and Mother Mary Aquin introduced the students, who gave short descriptions of their awards. They are:

Shirley Adams, Carol Bolz, Lorraine Chorkey, Mary Rose Critelli, Kathleen Darga, Barbara Haugh, Anita Johnson, Laura Johnson, Kathy McGraw, Rosemary Ryan, Francis Thurber, and Sue Tigue.

THE MOTHERS' Club, now under president Mrs. John Gibson, will sponsor a reception after Commencement exercises for the graduates and their guests. The faculty will sponsor a Communion breakfast for the graduates and their mothers Wednesday, June 10.

Guest speaker for the June 14 Commencement exercises will be the Most Reverend Charles Leo Nelligan, D.D., Titular Bishop of Venice. Bishop Nelligan, formerly a faculty member of the University of Windsor, has recently been active in the work of the second Vatican Council.

Senior newspaper editors Claudia Coyer and Kathleen Doyle have handed the "Marianews" paste and scissors to Mary Frances Gray and her staff, who will compose the final issue of the paper.

Page editor Teri Peterson and reporters Carol Bolz, Mary Beth Reardon, Mary Slowik, Kathleen Sullivan and Kathleen Darga have covered school news this past year under Sister M. Judine.

THE NEW STAFF will include: Marian Aste, Pam Cates, Margaret Conklin, Christine Corona, Cynthia Deihl, Susan Gilmore, Kathleen Kalls, Lynn Kovac, Cheryl Kudla.

Jennifer Mills, Patricia Naughton, Diane Rice, Janet Sabo, Diane Sybeldon, Julie Tata, Sharon Vincent, Kathleen Whiting, Gracemary Young, and Barbara Zawacki.

A large number of Marian seniors attended the Newman Club introductory panel held May 14 at Wayne State University. Several college students explained the objectives and tools of the club to interested students from the Detroit area.

The Newman club is an organization for Catholic students on the secular campus, and sponsors social, charitable and spiritual events throughout the college term.

THE MARIAN-Brother Rice discussion group met at Brother Rice high school Thursday evening, May 14. Sixty students and their moderators discussed William Golding's controversial novel, "Lord of the Flies."

NAMES OF cheerleader candidates have been announced during the past week. They are: Beth Alderiso, Susan Alkire, Marion Bartelmus, Abby Forester, Jo Hallet, Judy Manza, Sandy McMasters, Eileen Lynch and Kathy Shannahan.

Nine Groves Pupils Place In Contest

Science students at Groves placed high in the Westinghouse Talent Search conducted throughout Michigan in December and in the Science Fair.

Jerry Griggs and Richard Lee were selected as two of the top 17 senior science students in the state. They will receive their awards at the annual Groves Senior Assembly in June.

WENDY NAHABEDIAN was a third place winner in the Biology Division of the Metropolitan Detroit Science Fair at Cobo Hall.

Carole Landry was an exhibitor in the chemistry division of the Science Fair, while Richard Braden received honorable mention in the physics division.

George Klima was a special award winner in the chemistry division as was J. W. Aiker. Honorable mention in the physics division went to Richard Lee.

Other honorable mentions went to J. D. Bartleson and Jim Samanen, both in chemistry.

GRIGGS AND Lee wrote their Westinghouse papers on chemistry projects they had completed last year. They are PSSC physics students. Griggs was a third place winner in the Science Fair.

The other winners are chemistry students in the study course or the Chemistry II class under Mrs. Patricia Sargeant.

Barnum Jr. PTA To Hold Discussion Of School Program

All parents of sixth grade students at Midvale, Quarton, Baldwin and Pierce Schools, whose children will be entering Barnum Junior High School next fall, are invited to meet the Barnum staff tonight and hear their discussion of the Junior High Program.

Roy Vannette, principal, will introduce several department representatives who will outline subjects of curriculum and other aspects of the school program. Their presentations will be followed by a question and answer period.

Refreshments will be served following the meeting and the school will be open for a tour of facilities by interested parents.

Economists refer to unemployment insurance benefits and similar payments as "high velocity" dollars because of their tendency to be spent immediately and turn over rapidly and frequently in a community, thereby stimulating consumption, production and further employment.

Kingswood Assembly Honors Latin Scholars

By BETTY KRAUSE
Special Writer

The Mother's Day Tea this year was held on May 10. Four hundred guests came to witness the exhibition of student art and to drink tea and talk.

AFS students and their American families from the Birmingham area also attended. Their hostesses were various boarders.

The art exhibit included pieces in textile design, drawing and painting and ceramics. The art of seniors Karen Plew and Sheryl Vallassis were highlighted.

THE LATIN Honors Assembly will be held on Friday, May 22. Students who maintained a consistently high grade level in Latin during the year will be awarded Latin Honor Society certificates, given Roman wreathes to wear on their heads and asked to sign their name to the list of members.

Sophomore Cindy Cahn will be individually cited because she is the first at Kingswood to complete a year of Greek. This year, for the first time, seventh graders will be awarded certificates; they are the pioneers in a new plan of beginning Latin in junior high.

The annual Founder's Day Tea was held on Sunday, May 17. The seniors from Kingswood and Cranbrook were invited to this reception at Cranbrook House. They were entertained on behalf of the Cranbrook Foundation by Mr. and Mrs. Henry Booth. Mr. and Mrs. Harry Hoey were specifically honored.

The senior class invited the juniors to their haven, the Senior Cabin, on May 20. Cabin is a small meeting place reserved for senior use.

THE SONG committee for last Wednesday was headed by Cookie Goodstein, with Nancy Emerman, Nancy Adams, Morley Thomson, Gail Hammonds and Sue Young helping her. The game committee comprised Anne Clark (chairman), Fran Fredericks, Janie Cooper, Jean McGibbon, and Judy Wells.

On May 21, the Kingswood Alumnae Association Board gave a tea for this year's senior class. It was held at the home of Mrs. Steele Sellers, the Association President.

Quad Party, sponsored by the Joint Activities Committee, was held on Saturday evening, May 16. After a picnic dinner, there was dancing; music was provided by the Roulettes.

A theater benefit will be held on May 24 by the Alumnae Association. It will take place at the Fisher Theater, and "Beyond the Fringe" will be presented.

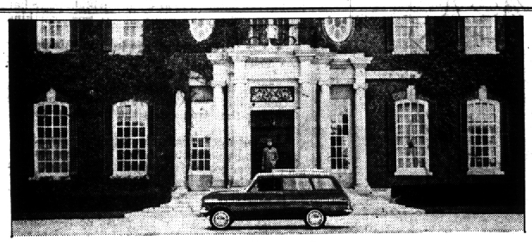
The chemical element, polonium, discovered by Pierre and Marie Curie in 1898, was named for Mme. Curie's native land, Poland. Polonium is radioactive and changes into lead.

Unemployment insurance benefits are not paid in Michigan to a worker who refuses, without good cause, suitable work offered him by an employer, or the Michigan State Employment Service.

Enrollment Slated For Kindergarten

Enrollments for kindergarteners for the school year 1964-65 will be taken in Booth, Conant, Eastover, Hickory Grove, Pine Lake, Vaughan and Wing Lake Schools during the week of May 25 through May 29 from 9:30 a.m. to 11:30 a.m. and 1 p.m. to 3 p.m.

In order to be eligible for kindergarten, children must be five years of age on or before December 1, 1964. Birth certificates are necessary for enrollment. Children need not accompany parents.



Opel Kadett is no status symbol

You'd look pretty silly trying to show off in an Opel Kadett.
The sturdy little engine runs so quietly people don't even notice you.
It's noticeably thrifty with gasoline though.
The back door of the wagon might get you some stares.
It's really the whole back of the car. It swings up on a hinge.
Opel wagons have a luggage rack and a 24-month/24,000-mile GM warranty.
And they have price tags similar to those on the other little imports.
Opel doesn't say very much about you.
Except that you're practical and hate to shell out for gas and oil and repairs.

Opel Kadett: the new little German car with General Motors behind it.

"New vehicle warranty—Buick Motor Division of General Motors Corporation warrants each new Opel Kadett motor vehicle and chassis including all equipment and accessories thereon, (except tires, and glass) delivered to Opel Division and distributed by its authorized Opel Dealers to be free from defects in material and workmanship under normal use and service. Buick Motor Division's obligation under this warranty being limited to repairing or replacing at its option any part or parts thereof which shall, within twenty-four (24) months after delivery of such vehicle or chassis to the original retail purchaser or before such vehicle or chassis has been driven more than twenty-four thousand (24,000) miles, whichever event shall first occur, be returned to an authorized Opel Kadett Dealer as such Dealer's place of business and which examination shall disclose to Buick Motor Division's satisfaction to have been thus defective. The repair or replacement of defective parts under this warranty will be made by such Dealer without charge for parts, and if made at such Dealer's place of business, without charge for labor.

The provisions of this warranty shall not apply to any Opel Kadett motor vehicle or chassis which has been subject to misuse, negligence or accident, or which has been repaired or altered outside of an authorized Opel Kadett dealership in any way so as, in the judgment of Buick Motor Division, to affect adversely its performance and reliability, nor to normal maintenance services, such as engine tune up, fuel system cleaning and wheel, brake and clutch adjustments; and this warranty does not cover those items in sport vehicles which require replacement or renewal during the normal operation of such vehicles, such as, but not limited to, the operation of soft tops and appurtenant items due to wear and exposure.

This warranty is expressly in lieu of any other warranties, expressed or implied, including any implied warranty of merchantability or fitness for particular purpose, and of any obligations or liabilities on the part of Buick Motor Division, and Buick Motor Division neither assumes nor authorizes any other person to assume for it any other liability in connection with such motor vehicle or chassis.

How to fence out insurance worries ... and save money too!

No matter what your establishment or organization: *Association • Bank • Church Community Center • Club • Funeral Parlor Printer or Publisher • Museum • Retail Store School or College* you can insure property, premises, and operations against virtually every type of loss—with a new package policy combining property and liability insurance—that saves you money too.

It's Atlantic's Safeguard Policy.

This all-round insurance package eliminates up to 25 different policies . . . yet gives you coverage not available under separate policies.

With Atlantic's Safeguard you get complete protection in one policy...with one expiration date . . . through one independent agent or broker! All at one low premium. And, Atlantic's *Safeguard Policy* can reduce your costs by 10% to 20% over separate policies.

Your local independent insurance agent or broker can tell you more about this up-to-date insurance plan. He's a professional insurance man who gives you continuing personal service not only when you buy insurance . . . but also when you have a claim.

Men of judgment buy Atlantic insurance; men of integrity sell it.
