A Bloomfield Township resident, Vernon M. Fitch of 2860 Middlebury Lane, has been added to the list of candidates for trustee of the proposed Oakland County Community College in the June 8 election.

Fitch, 41, has resigned as director of the GOP's Third Legislative District organization to run for the non-partisan post. A bank trust officer Fitch said that "I have always been of the belief that every child who is qualified for college should have the opportunity to attend, and the Oakland Community College will be a long stride toward the accomplishment of this objective for the youth of this area."

## HOW TO KEEP "STRANGERS" OUT OF A CLOSE CORPORATION!

Should a key stockholder die, the other stockholders of a close corporation can be assured that "strangers" will not gain control if an appropriate stock purchase agreement is in effect and cash provided by life insurance available to buy the key executive's stock.

The grown-ups won't be the only ones attending the Indianapolis race this year. A special program has been arranged for some lucky boys. While the parents fly a Ford Motor Company private plane, the boys will go commercially with their own itinerary planned just for them. They will be "dined and dined" (same-age style, of course) while the adults follow an adult itinerary.

One couple and their son who will enjoy this program this weekend are the Gene Bordinata, Jr. and their son, Kevin, of Lakeview Road, Chalmers Lake. The trio will leave at 8:45 P.M. and return to the area immediately following the race.

ALSO MAKING PLANS for departure from the Chalmers Lake area is Tobey Hall, daughter of Mr. and Mrs. J. C. Hall of Clarendon Road. She will leave June 10 for Arizona with the Paleontological Exhibition sponsored by the Carnegie Museum.

Members of the exhibition will camp and do their traveling by way of Jeeps in their quest for remains of the Eocene period. This will be Tobey's third year to go on such an adventure. Last year she found a tooth which proved to be an informative link.

MR. AND MRS. VINCENT Hayes of Thornbrier Way left the area on the 19th for a flying trip to New York and the World's Fair.

It was a combined business and pleasure trip with stopovers in Pittsburgh, Pa. for a visit with old neighbors, the Donald Bradburns, and a short visit with Mrs. Hayes' sister and brother-in-law, the John Cooks of New Rochelle. They returned home Sunday.

Mrs. Harry Friedman is the current houseguest at the Eric

Hoagbergs on Burnham Road. She came from her home in California to welcome the arrival of her new granddaughter, Lisa Diane, who was born May 6. Lisa weighed eight pounds, eight ounces. Also on the welcoming committee was Heidi, 2, who is also thrilled about her new sister.

THE TEACHERS of Conant School were the hostesses for the tea held last Tuesday in honor of the Roomroom and library mothers of the past school year. Conant School grounds was the scene of a winner round given last week for the mothers and the forthcoming seventh graders who will join the Cadet Girl Scout Troop No. 896. The troop is under the direction of Mrs. Theodore Duncan of Lone Pine Road.

Four girls earned their social dependability pins for arranging and hosting the affair. They are Christie Brogan, Kathy Cullen, Claudia Duncan and Linda McVay. Twenty-eight mothers and Girl Scouts attended the event.

Last Tuesday evening the members of the Glencoe Estates branch WFNPA met at the home of Mrs. Thomas Jackson on Blanford Road. At this time the new officers for the coming year were elected.

President is Mrs. Thomas Jackson; Vice President, Mrs. Herbert Thompson; Secretary, Mrs. Ray Rice and Treasurer, Mrs. Don Field.
