Members of the Suburban Golf League divided into three flights Friday and decided low gross and low net awards at North Hills Golf Course.

Jean Ford grabbed low gross honors with a 101 in the first flight, while Maggie Ryan carded a 77 to win low net. In the second flight, Kay Torzewski had a 109 for low gross and Lois Copeland a 74 for low net.

**THIRD FLIGHT** winners were Jeanne Runkle, who shot a low gross of 111 and Effie Jamie, who registered a low net of 75.

The league, now sporting a closed membership, will begin regular tournament in several weeks.

**LEARNING THE ART** of judo does not require size. In fact, featherweights can use it as effectively as heavyweights as shown in the above picture. The Birmingham YMCA conducted a judo class to teach boys the value of self-defense and how to use it. More than 50 boys attended the popular class and action of this type took place last week as the final competition was held.

## Judo Winners Selected at YMCA Meet

Oddly enough, the word "judo" means "gentle way", but spectators watching the competition at the Birmingham YMCA might interpret the word differently.

**TENNIS** Classes for youngsters and adults will be taught at BHHS courts this summer. Classes will be offered Monday through Friday in the Bloomfield Hills School District. Camping, swimming (if a site can be found), physical fitness, trips, etc. will be included in the program.

## Groves Loses Game in 7th; Seaholm Wins

Groves had Northwest Suburban baseball champ Livonia-Franklin on the ropes Monday but couldn't deliver the knockout punch.

After leading 3-1, going into the last inning, the Falcons fell apart as Livonia scored four times on three hits and two errors to win 5-3. The undefeated winners had only three hits off loser Chuck Mitchell until the seventh.

Groves scored once in the first when Joel Smith came home on Mitchell's single and added two in the fifth on a squeeze play by Tom McKenna.

**SEAHOLM WON** a couple, dumping Ferndale, 8-5, May 19, and then shutting out Bloomfield Hills, 5-0, behind the two-hit pitching of Brant Conley.

Conley fanned 14 batters, seven of the first nine he faced, as the Maples raised their overall record to 4-4.

Cranbrook took a 6-4 decision from Thurston Friday as Steve Hanway picked up the win, although he was relieved by Bill Price in the fifth.

**LARRY WILLEY** provided most of the spark at the plate for the Cranes, with a triple and single and two runs. He had eight hits in the game. Clarkson downed the Lakers in track Monday, 57-52.

**THE BARONS** picked up two runs in the first inning on a two-run homer by Mike Miller and then matched the Trojans' three, with three singles, two walks and an error in the second frame.

The Barons upped their lead to 9-6 in the fifth on a single by Anderson, a sacrifice by Jay Shimick and an error.

Clarkston took the trophy with a total of 98 points. The Barons and Midford finished a close third with 66 points apiece. The Barons won the trophy for the first time last year.

**Top Marksmen**

## SPORTS FANS!

**I BET YOU DIDN'T KNOW**

By Dick Turner

A lot of American League fans complain that the Yankees win the pennant too often. . . . But that complaint wasn't possible in the first 20 years of American League history. . . . Did you know that between 1901 and 1920, the Yankees won NO pennants! . . . It seems unbelievable, but it's true.

Do you know when the first Indianapolis 500-mile race was run? . . . It all started in 1911. . . . The winner of that first Indianapolis 500 averaged just over 74 miles per hour. . . . Winners today average about 140 miles per hour for the 500 miles.

There have been many brother combinations in baseball, but do you know which family in history had the most sons become big league ball players? . . . It was the Delahantys. . . . FIVE brothers in this one family made the majors! . . . Their names were Ed, Frank, Jim, Joe and Tom Delahanty. . . . Two of the brothers came to the majors before the turn of the century and the other three entered the big leagues between 1901 and 1907. . . . Their father really had something to talk about, didn't he?

I bet you didn't know. . . . Let your Ford want to come to our place for service. Let our factory trained technicians, using tools especially designed for your Ford, get your car in tip top shape for summer driving. Come in today.
