ECHOPARK, acclaimed one of the nation's top ten summer camps, will be open for business on June 6th.

Nine works of art and family-friendly camping for children up to the age of novices.

Staffed with the best qualified instructors in Michigan and offering a multitude of activities - from RIDING and SWIMMING, TRAMPOLINING, GAMES and SPORTS to ARTS and TRAPS, CAPOURING and FISHING, etc.

ECHOPARK's 92 acre estate is second to none with its breathtaking hills and lakes in the heart of Bloomfield.

Rugged, backyard's camp for the "teen and younger camper and strictly controlled recreational play areas for the small fry.

SWIM meets, ECHOPARK HORSE SHOW and OLYMPICs are but a few of the organized events that all children can compete in, with their fellow, or visiting campers.

An atmosphere such as this, coupled with beautiful surroundings of good food are guaranteed to provide happy and healthy youngsters at each day's end.

Overnight camps and lodges are frequent at ECHOPARK and last year's summer and musical groups were the highlight of the many an outdoor adventure among the Indian camp fire.

Alite ENTERPRISE ENCOMPASSES Mothers and Fathers to join in the fun and appear in the camp for the duration of the week. This is the real ECHOPARK where innocence and after school swimming and skating, are all pleasant memories.

There is a "small" camp, there is a "large" camp, and there is a "Chautauqua." This is simply a "small" camp.

Summer is here, no plan to spend some of it at ECHOPARK... with the kids?

Mrs. Romney Urges Civic Work ‘For Family’s Sake’

By MARY BAIN

Michigan's First Lady told 300 women gathered in the League of Women Voters'SUPERFEST' on Tuesday that "beauty and economy is the most important part of our household work." Mrs. Romney called on the women to use their influence in the community to improve the quality of their lives.

"You are not only the housekeepers," she said, "but you are the teachers of your husbands, and the mothers of your children." Mrs. Romney urged the women to work for a "free society" in which every family has a chance to live.

Mrs. Romney also spoke of the importance of "team work" in achieving this goal.

"We must work together," she said, "because we cannot do it alone. But we can do it together, and we will do it together." Mrs. Romney said that every woman has a "mission" in life, and that every woman has a "duty" to her family.

"It is not enough," she said, "to have a good home. We must also have a good country." Mrs. Romney urged the women to "work for the future."
