Canned Corn Relish Mustardy Tang

If you're looking for something to serve on a cool fall day, try this delicious relish. It's perfect for picnics, potlucks, or gatherings with family and friends.

- 2 ears corn
- 1/2 cup sugar
- 1/2 cup vinegar
- 1/4 cup water
- 1/4 teaspoon salt
- 1/4 teaspoon mustard
- 1 teaspoon curry powder
- 1 tablespoon canola oil

1. Prepare the corn by removing the husks and cutting off the kernels. Place the kernels in a saucepan with the sugar, vinegar, water, salt, mustard, curry powder, and canola oil. Bring to a boil.
2. Reduce the heat and simmer for 10 minutes, stirring occasionally. Remove from heat and allow to cool.
3. Pour into a clean, dry jar and seal. Store in the refrigerator for up to 2 weeks.

Down to Earth

Your Garden's a Beauty and All’s Right with the World

With the end of summer comes the end of the garden season. It's time to reflect on the successes and challenges of the past season and plan for the next one. Here are some tips to help you enjoy your garden all season long.

1. Tend to the plants daily:
   - Water them regularly.
   - Remove weeds and pests.
   - Prune and tie them as needed.

2. Enjoy the beauty:
   - Visit your garden often to appreciate its beauty.
   - Share your garden with others.

3. Share your success:
   - Take pride in your garden.
   - Share your successes with others.

4. Plan for the future:
   - Plan your garden for the next season.
   - Consider new plants and techniques.

Color and Fabric Allies For Budget Decorating

Don't Put All Blame on the Moth

The moth always seems to get the blame for chewing holes in your clothing and shoes. Of course, it is not always the moth, but other insects, beetles, caterpillars, and even moths can do damage. Cleaning your clothes correctly can help prevent damage and prolong the life of your clothing.

1. Use the right detergent:
   - Choose a detergent that is designed for your specific fabric.
   - Use the correct amount of detergent for your load.

2. Wash at the correct temperature:
   - Choose a temperature that is appropriate for your fabric.
   - Avoid over-washing, as it can damage the fibers.

3. Air-dry the clothing:
   - Whenever possible, dry your clothing in the air to prevent damage.
   - Use a low heat setting if necessary.

4. Store clothing correctly:
   - Store your clothing in a cool, dry place.
   - Use moth-proofing products if necessary.
