BEYOND THE STORE FRONTS

In the multitude of things to do and see during the holiday season, you may have noticed the window display at Winnie’s Drugs (Woodward-Madeira stores) and the Prep Shop (Parke St. window). Winnie’s Drugs is celebrating its 50th year in business and Winnie’s spent a good deal of time selecting the items for their window. Here is a peek at time testimony, when people actually flocked to the store and carefully weighed.

A National Bank replica looks like a fortune cookie with its coloring. The storefronts are painted to resemble those of the ‘50s. A Chicago-style ice cream display is an antique made by American Ice Cream Co.

The display at Winnie’s Drugs is a treat for customers who want to enjoy a taste of the past. The store is located at 2500 Woodward Ave. in downtown Birmingham.
