3,700,000 PEOPLE WILL BENEFIT, BECAUSE “THE COMMONWEALTH” IS STILL IN DETROIT

The confidence expressed by stockholders and by the financial community in the Bank of the Commonwealth was an important key in locking the door on absentee ownership. By keeping “The Commonwealth” in Detroit, we have retained a vital source of financial strength.

Detroit is alive. Its people are more prosperous than ever before, and more optimistic. Its economic picture is bright, and growing brighter. And the need for financial resources is multiplying.

“The Commonwealth” will be a prime factor in this growth, for business and for individuals alike.

Its will is reborn. Its way is clear. Its purpose, to act.
