Residents of the Lathrup and Cranbrook Villages are swinging into the summer sports season. The Cranbrook Country Club held their official opening on Memorial Day. The turnout was credited to the more hardy polar bears.

The Village Swim Club opened on the very warm Saturday preceding Memorial Day but has not had their official opening as yet. The new officers for the Village Swim Club are formulating

plans for the coming summer swim season. Dr. William Unker is the new president. His committee includes Robert Schmidt, vice-president; Walter Hensing, treasurer; Leon Hilliker, secretary; Dr. Fred Stoye, assistant secretary-treasurer; Frank Roller, pool and grounds chairman and Kenneth Hibbard, concessions.

ALSO SWINGING for fun and relaxation are the members of the Lathrup Women's Golf League. They began their season on May

11 with the 48 members teeing off at Glen Oaks Country Club. This year's president is Mrs. D. J. Worden. In charge of points is Mrs. A. Fabert. Mrs. E. J. Chapman and Mrs. Stanley Tetterer are handicap co-chairmen; Mrs. Everett Nelson is secretary and Mrs. B. H. Ackles, Jr. is treasurer.

THE LATHRUP Players having concluded their own plays for the season are planning to go en masse to see Walter Pigeon at the Northland Playhouse on June 13. Following the performance the group will adjourn to the Vincent Zatl home on Sunset Boulevard

for cocktails and dinner. Craig Stephen, born May 17 and weighing nine pounds ten ounces, is the second son of Mr. and Mrs. John Belonga of San Quentin Drive. He was welcomed home by his "older" brother, Keith Michael, age 19 months. Maternal grandparents are the Charles Thompsons of Lathrup Boulevard, formerly of San Quentin Drive.

MR. AND MRS. B. A. Ackles and daughter Betsy of Glenwood Road spent the Memorial weekend opening their cottage on Harsens Island. Their son, Burlin III, is making

plans for his departure on June 10 with the 85 members of the study-travel group of Allison College. The students will depart for Europe and upon arriving will travel for a four-week period. The next four weeks will be spent studying at the University of Nuchatel in Switzerland. The final two weeks the students are free to travel on their own and will all meet in London for the home-ward trip.

IT WILL be "member participation" night when the members of the Southfield Optimist gather at Howard Johnson's Restaurant this evening for their regular meeting. The members have been asked to bring their most interesting color slides to share with their fellow Optimists.
