

Honor Awards Given At B'field Jr. High

By HARRIET FOX
Special Writer

Honor points were given for scholarship, citizenship, all A's and all B's at an honor assembly June 3. Our school symbol, the B, is given in Bronze for the seventh graders, in silver for the eighth graders, and in gold to the ninth graders for earning a certain number of honor points.

The gold B and guard is given to ninth graders who have received an award each year. Sue Hensberger, the person with most honor points, was the chairman of the program which was conducted entirely by gold award and guard winners.

Twenty-five seventh graders, 22 eighth graders and 21 ninth graders received these awards. Fifteen ninth graders received the gold award and guard.

EACH YEAR the Shoe Award is given to two ninth graders, a boy and a girl. The committees base their selections on these qualifications: The recipient must have shown leadership. He must have a good academic and citizenship record. He is also reliable

and honest. This year's winners were Marsha Hetherington and Robert Calhoun.

Marsha is a member of the Madrigal Singers, the Choir, accompanies the Choir and Glee Clubs on the piano and plays in the band.

Bob also received his gold award and guard. He was active in sports and served this year as President of the Student Council. The Peter McIlrath Award is also given annually to an outstanding Student Council member. This year it was awarded to John Mersky, chairman of the entertainment committee and president of his ninth grade class.

ALTHOUGH IT is not school sponsored, the entire ninth grade class will attend one last party before they enter the High School. The party will be on June 15 at the Birmingham Athletic Club. The Seventh Grade Choir gave a concert on Wednesday night, June 3. About 50 students participated. The recipient of the award is Alan Poland. The Madrigal Singers, the Twelve Tones and the Barbershoppers also sang.

Graduation for the Small

Early summer is a traditional season as far as high school and college seniors are concerned. The donning of caps and gowns and the awarding of diplomas are usually associated with institutions of higher learning. The proud graduates pictured above aren't exactly completing a course at Harvard, but they're on the way. Exercises took place at

Westmaple Nursery, operated by Lutheran Church of the Redeemer, June 5, as degrees were handed out for the 11th year. The "seniors" are (from left), front row, Karen Jacobson, Andrea Armstrong, Freddie Weiss. Back row, Tommy Woland, Wendy Dederian, Joey Wrobel.

Barnum Gives Out Awards At Assembly

The annual Barnum Awards and Honors Assembly was held on Friday, May 30. Principal Roy E. Vannette welcomed students and then proposed a five-point program of challenges for each student to follow.

Following Mr. Vannette, these student leaders gave speeches as an inspiration to their classmates: Jay McAuliffe, Student Council President; Andy Burleigh, attendance award holder; Ellen Bishop, who spoke on scholarship; and John Cameron, who spoke on citizenship.

Miss Ward, Student Council Sponsor, outlined 14 activities completed by that organization this year.

SCHOOL Scholarship, Citizenship and Service awards were given many students from all three grades. Those receiving the highest scholarship award from each grade were seventh grade: Tom Johnson, Linda Stem; eighth grade: Susan Dick, David Rosenberger; ninth grade: Nancy Theodoroff, Arthur Burleigh.

On Friday, editor Rick Bardley and staff, and sponsor, Mrs. Dorothy Nelson, distributed the Barnum annual, "The Maptostonian." Mr. Bluhm and the photography club cooperated by taking pictures for the book.

May 29 the Barnum track team lost their league meet by one point to Derby who had a score of 42 points. The meet involved nine schools — two from Birmingham, three from Southfield, two from Berkley and two from Oak Park. Coach Stall would like to give special credit to the following boys who placed first in their events: Ralph Galbraith, 10.9 seconds in the 100 yard dash; Chuck Lisko 48' 6 1/2" in the shotput; and John Hocking, Dave Cook, Jim Tripp and Ralph Galbraith, 48.7 seconds in the 440-yard relay.

ON MAY 28, Barnum held its annual athletic recognition night and certificates were presented to all the boys who participated in athletics this past year.

Jay McAuliffe was awarded the athlete-of-the-year award and Alex Grether the clown of the year.

Show Termed 'Big Success'

By MARGARET BROWNING

Berkshire's water-show, "It's a Charming World," was a success. The cast, which had devoted long hours to the show since April, were pleased to hear the proceeds were over \$330. The use of the money has not been decided.

On both Thursday and Friday evenings the performers were greeted warmly by the audiences. Miss Mary Scott was proud of her hard-working cast.

FINALS WERE June 8, 9 and 10. Many seventh graders studied for the first time—eighth graders, too! The eighth graders are to come back Friday, June 12, for their report cards and to make sure their debts are paid. In the beginning of the year, when Miss Tewilliger, an office secretary, made a phone call and said, "This is Berkshire calling," on the other end a voice would say, "Berkshire? What's that?" This doesn't happen anymore. After one year, everybody knows that Berkshire is a school. Don't they?

A \$35 tuition is required for the reading course and a \$40 fee for the speech class. This includes testing, instruction and materials. The classes for the course will take place at 10 a.m. Saturday at the school. The classes are for grades 1-8. The instructional groups meet Monday through Friday for 45-minute sessions. THE CLASSES are taught by a staff of reading specialists and speech correctionists. Enrollment is taken on a first-come, first-served basis. Persons desiring further information may call Father John George at 965-4106.

HIS THIRD CADILLAC... HIS FIRST NEW ONE

This man is enjoying his first brand-new Cadillac—after becoming acquainted with the car's unsurpassed value by twice buying used Cadillacs.

He learned that a late model used Cadillac gave him more standard equipment and engineering advancements than most new cars—and gave it to him on a budget he could easily afford.

First of all, while Cadillac's styling was continually refined, it never lost the clean,

dignified look that says Cadillac and Cadillac alone. The smooth, quiet performance and complete reliability of his used Cadillac was a constant source of enjoyment. Then, too, he and his family enjoyed luxury and comfort to a degree reserved exclusively for Cadillac owners.

The pride of ownership of so distinctive a car was a never-ending pleasure, for he had the satisfaction—always—of knowing he drove the finest.

When it came time to trade his previously owned Cadillac for a later model, he found its value had held remarkably high . . . and returned a substantial part of his original investment.

So what could be more natural—or wise—than to make the eventual move to a new Cadillac?

New or used, there is no finer motoring investment than a Cadillac. And your authorized dealer has one to fit any budget.
