Remingtons to Spend 2 Years in Brussels

BY GLORIA JESSUP
MA 6-3257

Mr. and Mrs. Albert Remington and their two sons, Skip, 19, and Peter, 17, left their home on Wing Lake Road last Tuesday. The Remingtons will reside in Brussels for the next two years. Among those hosting bon voyage parties for the Remingtons was Mrs. Ralph Minke of Wing Lake Road. She gave a small dinner party recently in her home for a few close friends.

Mrs. Glen James, also of Wing Lake Road, was hostess at a luncheon last Wednesday in honor of Mrs. Remington.

During Mr. Remington's brief trip home from Brussels to gather up the family, he and Mrs. Remington gave an open house for their many friends before departing the area.

ALSO MAKING plans to depart the area are the "Wood Boys," Bob, Dick and Tim. They are the sons of Dr. and Mrs. Kenneth Wood of Mayflower Court. They will all be going in different directions, however: Bob, who attends Albion, will be among the four students chosen from Albion to go on the college-sponsored research program leaving this week. The group of 16 college students will spend six weeks on Kent

Island in the Bay of Fundy and study wild waterfowl.

Dick Wood and Jeff Smith, son of Dr. and Mrs. O. L. Smith of Acorn Road, will leave soon for two sessions at the Franz Gable Mt. Baker Summer Alpine Racing School in Mt. Baker, Wash. Dick and Jeff are number two and number one men, respectively, on the Bloomfield Hills High School ski team. The two boys will both be seniors in the fall.

The next eight weeks will find Tim in Troy, O. doing some intensive skating. His schedule will include about eight hours of skating every day.

EUROPE BOUND is Katie Fife, daughter of Mr. and Mrs. Robert Fift of Lone Pine Road. She and her grandmother, Mrs. Golda Fife of Grosse Pointe, left for New York on Saturday. Monday noon they boarded the ship, Maasdam, and sailed for Europe, to be gone three months.

Katie invited twelve of her close friends to a bon voyage luncheon in her home recently.

MR. AND MRS. JOHN Stitt of Burning Tree Drive, Still Meadow, and Mr. and Mrs. A. W. Simmons of Glenhurst, Birmingham, will leave early Saturday morning in the Simmons plane for two weeks of island-hopping in the Nassau area.

The Rodney G. Browns, also of Burning Tree Drive, welcomed their daughter home recently from her freshman year at Marietta College at Marietta, Ga. The Brown family moved into their new home in Still Meadow in January from their former residence in Philadelphia, Pa.

TWO BLOOMFIELD North young ladies recently won prizes in the 17th annual Outland Horse Show. In class 4, for 12- and 13-year-olds, in the walk-trot-canter category, Nancy Neuman won a ribbon for fourth place and Joan Miller won a third place ribbon.

Nancy is the daughter of Mr. and Mrs. Louis Neuman of Thornbrier Way, Still Meadow. She was riding "Jimmy Cricket."

Joan is the daughter of Mr. and Mrs. Henry H. Miller of Blanford Road, Glencoe Estates. She is also a member of the winning team in the drill team competition.

BACK IN their Worlington Road home after spending the winter in Florida are the R. E. Bohners. Mrs. Bohner spent the entire winter at their Ft. Lauderdale apartment with Mr. Bohner commuting as business would permit.

The Fred Kellers are back in their Wing Lake Road home after spending the winter at their home at Vera Beach. Mr. and Mrs. R. L. Shugart of West Surrey, Foxcroft, have also returned to the area after spending the winter in Florida.

IT WAS a weary, and in some cases, a damp group of canoers that returned home Sunday afternoon. The group consisted of the fathers and sons of Boy Scout Troop 1022.

They left Conant School at 8 a.m. and drove to Cadillac to begin their trip on the Pine River. The 21 canoes and their passengers completed the trip down the river without mishap. Only an occasional tip and into the drink—but we won't mention any names.

Society Dept. deadline for all organizational news, wedding and engagements announcement is 5 p.m. on the Friday preceding Thursday publication.
