### Mrs. Sylvestre—Still Young at 90

By ELEANOR NELSEN  
MI 7-9056

How does it feel to be four-score plus ten? Speaking with authority on the matter is Mrs. Mary Sylvestre who lives on Parkhurst Drive with her son-in-law and daughter, Mr. and Mrs. Matthew J. McDonald.

Mrs. Sylvestre, who isn't quite ready as yet to sit back in a rocking chair, enjoyed herself thoroughly as a family and close friends party given in her honor on June 6. Over 40 people were present and among the greatest distance was one of her sons, Joseph, who arrived from Albuquerque, New Mex. Mrs. Sylvestre recalls with pride many of the incidents revolving about her family of five children, 14 great grandchildren and three great,

great grandchildren. One grandson, James, and his wife Patricia, presented Mrs. Sylvestre with 90 red sweetheart roses and their children, Colleen and Maureen, gave their great-grandmother the first orchid she ever had in her 90 years. When Mrs. Sylvestre was widowed 51 years ago she was faced with the prospect of raising five children single-handedly and all who know her can say she has done a splendid job.

The McCreedy McDonald home was the scene of another party on Thursday, June 4, when Mary Lou, their daughter, became 17. Her friends in the area planned a surprise party for her.

**MORE SURPRISES!** The Sam McCreedy of Middlebury Lane were the guests of honor at a surprise farewell party hosted by the James McDonalds at their home, also on Middlebury Lane, on Saturday, June 13.

The McCreedy's came prepared for what they thought would be a backyard pot luck buffet and found 28 people waiting to greet them, all close neighbors and friends. The McCreedy's are moving too far out of the area but found a charming house which is about 120 years old they couldn't resist.

**MR. AND MRS. Lyrall Smith** of Parkstone Drive entertained at a dinner party in their home on June 5 and had as their guest of honor Mr. and Mrs. Dale Stafford, former Detroiters, who had just returned from Denmark.

Also in the party was the Staffords' son and daughter-in-law, Mr. and Mrs. John Stafford. Mr. Stafford surprised her hostess with a delightful teakwood ornament, a "furry little man," brought as a memento from Denmark.

**NORTHLAND INN** on June 9 was the scene of the annual dinner of the Westchester Branch of the Women's National Park and Garden Association. At this party the new officers were presented.

They are president, Mrs. Stephen Varga; first vice president, Mrs. Richard Kellger; second vice president, Mrs. David McEwen; recording secretary, Mrs. Roger L. Cutler; corresponding secretary, Mrs. John Hoal; and treasurer, Mrs. Kenneth Raugh.

The chairman of the dinner, Mrs. Robert Williams, presided over games for group participation.

Mrs. J. J. Archer and her daughter, Bebe returned to their home on South Cranbrook Cross Road, on June 5 after having spent the entire winter in Golden Beach, Fla.

**THE RESIDENTS** of the Franklin Woods Association gathered at the home of Fred A. Chapman on Pickering Road on June 4 for their annual meeting. New officers elected were president, Peter Kitzner; vice president, Tex Ragsdale; recording secretary, Mrs. Fred Chapman; treasurer, Jack Lefton. Board members are Paul Harn, Dr. Michael Kozonis, Steve Tompkins, Chuck Copeland and William Peterson. The association had as its guest speakers for the evening, Homer Case, Bloomfield Township supervisor, whose topic was on the growth of the township; Alice Gilbert, justice of the peace; and Steve Tompkins who is a member of the board of review. Immediate plans of the association are to put into use some unplotted acreage in their area to be used for baseball.

Its annual dinner dance will again be held in November as they find attendance is much better at that time of the year. The meeting was the eighth annual one of the association and the best-attended to date.

**AS A GRADUATION** gift, young Keith Blake, Jr., son of Mr. and Mrs. Keith Blake of Jackson Park Drive, flew down to Indianapolis to witness the 500.

It proved to be quite a bit of excitement for a young man. While down there Keith was the house guest of Mr. and Mrs. Thomas Dreyer, former Detroiters. Now the Blakes have houseguests. Mrs. Ruth Clifford of Clearwater, Fla. and her two daughters will be with them for two weeks.

The R. Reason family of Old Mill Road held its annual Memorial Day picnic. Hosting a party of 101 people in your own back yard isn't always easy but the Reasons from past experience have the method down pat and everyone has a great time. Gunny sack and relay races were especially enjoyed by the young set. Boccie kept the men engrossed.

**MRS. BYRON Trivette** of 416 Dalebrook will be opening her home on Friday, June 19, to all the women of the Great Westchester area for a coffee to be held at 10 a.m.

Purpose of the get-together is to promote interest in the Meadow Brook Music Festival which will be held from July 23 through Aug. 13 at Oakland University. As the present moment the Westchester Women's Club is planning on making Friday nights Westchester night at the Festival. Nothing could be nicer than to
