was after running a 4:10 mile. He broke the tape first in the mile at the Kentucky Relays and placed third in the steeplechase.

Not fussy about the distance, Jack entered the three-mile event at the Mid-American Conference meet and placed second behind teammate Bob Schule, who, inci-dentally, has the fastest U.S. time in the two mile, three-mile and six mile.

More and six mile.

So far this season Bacheler has a 4:10.2 mile, 9:01.7 two mile and 14:08.3 three mile. He keeps in shape by hoofing it 8 to 10 miles a day.

Last week, he placed second in the two mile at the Central Collegiates, and Tuesday, left with coach Bob Epskamp for the NCAA track meet in Eugene, Oyen to match strides with athletes in the three mile and steeple-chase.

JACK, WHOSE younger brother Bill ran track at Seaholm this year and equaled his best time of 4:28 in the mile for Kermit Ambrose, is uncertain about his skill. "I don't have any definite future goals in cross country or track right now. Actually, I run for the fun of it," he said.

But, then again the terminal of the said of the said of the said of the said.

But, then again, the top six finishers in each event at Eugene travel to New York to compete in the Olympic trials and wouldn't it just be a coincidence if, some day ...hmmm?
