

*Ever changing
and thus always new, the magnificent
Birmingham House Motel*

welcomes each of its guests personally—with friendly hospitality

Continuing to build on its well-earned reputation for superb service and luxurious accommodations, the BIRMINGHAM HOUSE, has added a glistening new dimension—THE BIRMINGHAM TOWER! Included in this new motel-hotel world is every facility to make your stay a completely enjoyable one. To its distinguished guests the BIRMINGHAM HOUSE, has always offered a delightful complimentary, Continental Breakfast. Now we have added a bright and tastefully decorated Coffee Shop serving our delicious lunches, brunches, breakfasts, and snacks. And, we have greatly expanded our meeting facilities and services to small and large groups. Because of the completeness of these facilities and our dedication to the success of your next meeting, we offer you a picture-perfect convention community.

Our small and large meeting rooms are decorated in subdued pastel hues, rich wood paneling and deep, deep carpeting. Yet their main charm is undoubtedly their unexcelled functionalism and flexibility.

Adding a richness to your stay are the elegantly appointed suites and rooms. These lovely rooms offer you gracious living and the utmost in modern comfort. In this serene setting of antique gold and soft-toned olive greens, you have finger-touch controlled air-conditioning and heating; television, Hi-Fi, radio and direct dial telephones. Naturally, to this we add spacious closet areas and a lovely bath of generous dimensions.
