Sorry. We can't help you out on the Yacht. But we can send you sailing into summer, cool as a breeze. Reason: The Eagle Dacron and Wool Worsted shown above. It's simply the finest suit of its kind. And don't let that "impossible" price fool you. It's all pure Eagle luxury . . . every stitch. Costly hand operations and painstaking needlework add up to flawless fit. Choose from 1-, 2- and 3-button models in the newest shimmering iridescents. Come in today for a try-on. (you'd be surprised how many Birmingham-Bloomfield men already have.)
