Highstyle Hilltopper...Rambler Classic V-8

This dazzling hardtop is the Rambler Classic 770. It takes off with more V-8 power than the standard V-8 in the top-size Ford or Chevrolet, parks easier, has virtually the same room, yet costs over \$200 less,* and gives you a long list of important advantages at no extra cost. And with what you save on Rambler, you can keep your pocketbook happy and still add smart, sporty options like floor shift (manual or automatic), reclining bucket seats with console, seven-position steering wheel, power steering, power brakes, power windows-you name them. If you like fun, flair and glamour—and smart savings, too—now is the time to see your nearby Rambler dealer.

Rambler Classic—big savings during the Big Rambler Selling Spree

*Comparisons based on manutacturers' suggested retail prices for top-line 2-door hardtops with V-8 engine, heater and front seat belts.
