BY ELIZABETH YATES

Summer vacations in the area vary from camping trips to visiting relatives in other states to relaxing at resorts.

The David Brattons of Upton Road and their children, Joan, Hank and Lisa, are camping enthusiasts. They have just returned from a three-week camping trip through Ontario, stopping off in Quebec for a few days.

With their gear packed they traveled on through the states of Maine, Massachusetts and New York. Among the trip's highlights was the colorful celebration of the Yonkiga Tribe on Independence Day near Syracuse.

HOME AFTER a month in the Southwest are Mrs. Fred Stefanski of Dowling Road and her sister, Mrs. John Snyder of Lake City, Mich.

As they traveled they stopped at the Grand Canyon, the Petrified Forest in New Mexico and the Oak Creek Canyon in Arizona, collecting treasures in pottery, stones and dried woods. Two weeks were spent visiting their parents, Mr. and Mrs. Charles White in Mesa, Ariz., with short trips to Mexico.

During their absence Mark Stefanski spent three weeks batching it with relatives, John Snyder and son, John, Jr., in Lake City.

THE WILLIAM ROCHES and sons, Greg, Tom and Scott of Lamplighter Lane have just returned from a trip of visiting relatives in Pittsburgh, Pa.

On their return they stopped off in Ludington, Mich., for a few days of swimming. Their summer plans include a return trip to Ludington and a permanent move to the suburb of Pleasant Ridge before school begins.

The Keith Terrys of Rock Springs Road were accompanied by their children, Kelvin, Lynn, Debbie and Mark on a week's vacation in northern Michigan. They chose a cabin at Presque for relaxing, swimming and boating.

THE E. A. LINDERS of Westchester Road are home after visiting their son and family, the Jacques Linders of Binghamton, N.Y., and a tour of the World's Fair.

Presently visiting the Linders and sons, Paul and Phil, of Rock Spring Road spent a recent week touring Vermont, New Hampshire and Massachusetts, visiting friends.

THE EDWARD TAPPERTS and sons, Paul and Phil, of Rock Spring Road spent a recent week touring Vermont, New Hampshire and Massachusetts, visiting friends.

Son Roger, a graduate of Capital University in Columbus, O., is spending the summer as chaplain of a Boy Scout camp in northern Wisconsin. In September, he

will return to the seminary in Columbus for three years. Paul will be leaving in September for his freshman year at Albion College.

Visiting his mother Mrs. Ethel Wade in North Hollywood, Calif., for 10 days is Stuart Wade of Far Hills Drive. Sons, Peter and Steven and Mrs. Wade are holding down the homefront during his absence.

NEW YORK was the vacation destination of the Frederick Weiss, Jr., of Fox Run Road. They divided their stay between Weisses' parents, Mr. and Mrs. Frederick C. Weiss, Sr., of Richmond Hill and Mr. and Mrs. John E. Barnes of Amityville, parents of Mrs. Weiss.

Arriving from New York en route to their home in Paluma, Calif., will be relative, Mrs. William Gatewood and daughter, Fredericka. They will visit the Weiss family for 10 days beginning Aug. 15.

THE WILLIAM SANDERS of Far Hill Drive spent a recent

Troop 57 Wins Honors At Jamboree

Scouts from the Birmingham area were recognized Wednesday night at a section three talent and recognition campfire on the next to last night of the Sixth National Jamboree at Valley Forge State Park, Pa.

The official jamboree attendance announced today is 53,124 Scouts and leaders. This is the largest of the three national jamborees held at Valley Forge in 1959, 1957, and this year.

ONE OF THE extra features at the jamboree is swapping. Many new friends have been made by Scouts of Troop 57 as they exchanged gifts with Scouts from most of the other states and many of the nearly 50 other countries attending the jamboree. Among the friendship gifts exchanged are patches of scout events, neckerchiefs and neckerchief slides.

During the last two days the Scouts have been entertained by international stars including Anita Bryant, Bonanza stars Dan Blocker and Lorne Green, the Three D's, Gemini Astronaut Captain Edward White, James Whitaker (the first American to reach the summit of Mt. Everest), and Lanny Ross, who has sung at all six national jamborees.

[A message of importance for men and women who are concerned about their health.]

If you're over 40...

your chances of suffering from one or more chronic ailments are far greater. Now is the time to do something about it!

After 40, you're more susceptible to the illnesses and chronic ailments that so often drain the joy out of life. For example, arthritis and kidney-bladder ailments strike far more often after 40. To maintain good health, many doctors suggest drinking 6-8 glasses of water daily to aid proper waste elimination and prevent dehydration. Because so many people find it hard to drink enough ordinary faucet water, delicious Mountain Valley Water is often recommended.

An aid to relief of arthritis symptoms. There's no sure cure for arthritis. If you suspect arthritis, see your doctor. One of the measures he'll probably advise is to drink more water. Physicians often suggest Mountain Valley Water because it is "light," non-filling, non-laxative, mildly alkaline. Its kidney-flushing effect gently stimulates kidney action, and helps speed elimination of potentially harmful wastes (there's evidence such wastes can collect in and around the joints, causing or aggravating some arthritis symptoms). Mountain Valley Water, which helps expel body wastes faster, has aided in relief of symptoms in a number of observed arthritic cases. Relief of kidney-bladder symptoms. Mountain Valley Water's mild alkaline action gently soothes bladder irritation, and helps neutralize excess uric acids (thus reducing that "burning" sensation). Try wonderful-tasting Mountain Valley Water. Regular daily use can make a positive contribution to continued good health. Costs only pennies a glass.
