

State Fair Shows Antique Autos

A rare exhibit of antique automobiles dating back to 1908 will be featured at the 115th Michigan State Fair which opens Friday, Aug. 28, and continues through Labor Day. The cars will be displayed by members of the Detroit chapter of the Veteran Motor Car Club of America, 70 of whom own 136 ancient cars. The exhibit also will include a display of hub caps, radiator ornaments, brass lights and other automobiles.

House Candidate Stresses Need For More Lawyers

William P. Hampton, 2757 Windemere, Birmingham, in a statement to The Birmingham Eccentric this week stressed the importance of having "more enthusiastic and educated representatives in our Michigan State Legislature."
Hampton, seeking election to the post being vacated by Birmingham's Henry M. Hogan, Jr., said: "In view of the fact that there are presently only nine attorneys in our 110-member House of Representatives, I feel that we should consider and elect more men who are qualified in this field to this law-making body of our government."
Hampton also strongly stressed that he intends, if elected, to be a full-time legislator "for as long as I can be of public service."

Hampton is seeking election as state representative from the 65th Legislative District which is comprised of Birmingham, Bloomfield Hills, Bloomfield Township, Birmingham Farms, Beverly Hills, Franklin and a part of Royal Oak between Woodward and Main north of Thirteen Mile Road.

Thieves Net \$5,000 in Troy

Burglars took nearly \$5,000, most of it in coins, from a safe in the offices of Automatic Vending Inc., 2975 W. Maple, Troy, sometime between 9 p.m. Saturday and 6 a.m. Sunday.

Police discovered the burglary Sunday morning on a routine police check. The thieves broke through the window in an adjoining building the Michigan Research Corp., 1490 Coolidge, but nothing was taken.

THE INTRUDERS entered the vending company through an unlocked door between the two offices. Police said no damage was done to the safe—indicating that the thieves knew the combination or the safe was left open.

Taken from the safe was \$2,000 in coins and \$629 in cash. Employee lockers were robbed of another \$2,000.

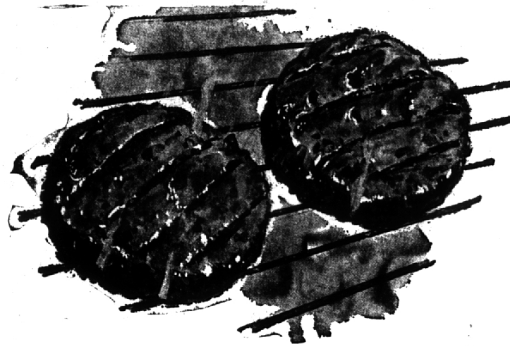

A second safe in the offices had been tampered with, but it was not opened. The police investigation continues.

Buck Owen, Faron Young and other stars of the Grand Ole Opry will perform before each of the Coliseum horse shows at the 115th annual Michigan State Fair, Aug. 28 through Sept. 7.
