

Teacher Attends Driving Workshop

School administrators and teachers and education students have completed a two-week driver education workshop at Bowling Green State University.

The workshop is a comprehensive course for those who wish to qualify as high school driver education instructors. Attending from Birmingham was Michael J. Pricer, 1665 Villa.

Meeting from 9 a.m. to 4 p.m. daily, the participants received laboratory experience in automobile driving and care, classroom lectures and discussions of safety, and planning and administering high school programs of driver education. Forty-four persons completed the course.
