

Kirkwood Sponsors Trip to Tiger Game

The Kirkwood Improvement Association, which schedules several social get-togethers for residents throughout the year, sponsored a bus trip to Tiger Stadium Friday night for the Tiger-Kansas City game.

The evening's festivities wound up in Raven Court where Mr. and Mrs. Robert Carey invited everyone in for a midnight snack.

Residents of Brass Three enjoyed a family supper outing at Walnut Lake Saturday night. Each family brought its own meal but also brought along dessert to share.

IN SPITE of heat and showers,

the Valley Club held its annual summer picnic at Walnut Lake on Aug. 2.

The club is comprised of eight families living on Middlebelt and Walnut Lake roads who get together for breakfast every other Sunday during the summer months, a custom of 20 years' standing.

Attending the picnic were Nina and Mason Noble, the John Nahaabedians, William Lolla, Donald Morrrows, Weldon Peltz, Robert Irwins and Vernon Nickola.

A THREE-TIERED wedding cake was the focal point of the party the Harvey Kreipkes gave on July 29 to commemorate their silver wedding anniversary.

Sixty friends and relatives were invited to celebrate the

event at a supper served in the garden of their Kilbrennan Road home. The Grenadiers, a four-piece combo of which nephew, Bob Kreipke, is a member, played for dancing.

Enjoying the festivities were Mr. Kreipke's mother, Mrs. Carl Kreipke, 85, and the couple's son, Larry, 17.

The Kreipkes returned last week from a stay at Gratiot Inn, Port Huron.

VERSATILE WENDY Nahaabedian of Walnut Lake Road, who was in the news last spring as a winner in the seventh annual Metropolitan Detroit Science Fair, was the choreographer for the water ballet put on at Farmington Country Club last Friday night. Wendy, who will be a freshman

at the University of Michigan in the fall, is working as a lifeguard at the country club this summer.

SANDRA AHLGRIM, daughter of the Lorenz Ahlgrims of Blackburn Drive, arrived home yesterday from a three-week vacation in Europe.

Sandra, who was graduated from Bloomfield Hills High in June, was one of a group of 17 girls who visited seven countries on a tour conducted by Miss Diana Maher, government teacher at the high school.

DIANNA COX, daughter of Mr. and Mrs. Leslie Cox of Walnut Lake Road, has just concluded a summer workshop in biology at Mt. Olivet College. Dianna will

enter her senior year at Groves High next month.

"It was really fun," said 11-year-old Bob McIntyre of his recent 8,000-mile trip through Canada and Alaska as a member of the eighth annual "On to Alaska" trek.

"On the cruise through the inside passage, the crew called us one day and we saw whales spouting."

Judy and Lee Carey, daughters of the Robert Careys of Raven Court, are spending the summer in West Virginia with their grandmother, Mrs. E. L. Kitts.

IT WAS BOOTS and saddle for three weeks—for Libby Drake, daughter of the William Drakes of Raven Road, who came home Saturday from Arrowhead Ranch in Mio, Mich., where she had her first fling at horseback-riding. (See GAME, 7-CC)
