Jeff Mays started for Birmingham and did well until the third inning when the roof fell in. Hamtramck led the contest by scoring nine times on a combination of walks and errors.

Gar Thomas parked one over the fence in the first inning to even the count at 1-1 after Isaac Blew sitti had led off the game with a four-bagger.

High school and college athletes from the Birmingham-Bloomfield area converged on Cranbrook's athletic fields Saturday to participate in the U. S. Track and Field Federation's Olympic development meet. Women and men competed in the various events as ribbons were awarded to the first five in each event. A pole vaulter is caught in action as he gracefully clears the bar.

Mystery Answer

The "monster" in the photograph on 1-E is actually one of 20 new Brunswick pinpointers being installed in Birmingham Bowl.

The picture shows a side view of the complex make-up of the machine. Called the A-2, the machine features a rapid return in which the balls travel 60 miles per hour back to the bowler.

THE BRUNSWICK "monsters" are replacing obsolete equipment at the Birmingham Bowl. They are presently being installed and will be ready in several weeks. Plans are for several pinpointers to be ready by next week.

Bill Freehan, Detroit Tiger catcher, hit his ninth home run of the 1964 season on June 19, squalling his entire out-pitch for 1963, his first season in the major leagues.

By Dick Turner

The greatest honor a baseball player can get is to be elected to the Hall of Fame, and the greatest honor for a football player is to be chosen to an All-American team. Do you know if any one athlete in history ever won both these honors? Answer is yes... But there was just one man who's done it. He is Frankie Frisch... In football he was named to Walter Camp's second-team All-American of 1918. Frisch was a halfback at Fordham... He was elected to baseball's Hall of Fame in 1947.

Who were the greatest women athletes of all-time? Well, a poll was taken a year ago, and the top female athlete in the voting was Babe Zaharias, the great golfer and track star... Former tennis champion Helen Willis ranked second... Third and fourth were two track performers, Stella Walsh and Fanny Blankers-Koen... And ranking fifth was Swimmer Gertrude Ederle.

Here's an amazing fact about Stan Musial. I bet you didn't know... In all his years in big league baseball, Musial was NEVER thrown out of a game for arguing with umpires... That record is remarkable when you consider that Stan played in 3,025 different games over a period of 22 years!

I bet you didn't know... That you can make the best buy in a used car by selecting one from our stock of A-1 used cars.
