

ONE OF BLOOMFIELD TOWNSHIP'S NEWEST BUSINESSES  
Located at Maple and Lahser Roads

CROWDS AWAITED OPENING OF NEW KROGER STORE  
First business in Commons Shopping Center.

## New Kroger Opens In Bloomfield Twp.

Birmingham shoppers will see the latest developments in modern grocery shopping convenience when they visit the new Kroger store at W. Maple and Lahser Roads in the new Bloomfield Commons Shopping Center, according to H. A. Gifford, vice president of the retail food firm's Detroit division.

The newest Kroger store welcomed its first customers at 1 p.m. Monday.

Every detail of the air-conditioned store from the "magic-carpet" door openers to the express check-out lane, Gifford, 1118 Hill Lane, Bloomfield Township, explained, was planned to make the grocery shopping trip more convenient and enjoyable.

THE FLUORESCENT lighted interior has been decorated in soft pastel colors selected to give the customers a feeling of warmth and friendliness.

Fred Slepoy of 1575 Penitence, Birmingham, has been selected to manage the new store. He joined Kroger in 1937 and has had extensive experience in the firm's meat merchandising program serving as an adviser and trainer for other meat department personnel throughout Detroit and Eastern Michigan.

He also has had experience as a store manager and for the past three and one-half months has worked with Don Shaw, store manager at Kroger, 725 E. Maple St. in Birmingham. Slepoy is married and father of a 3-year-old boy.

Fred's co-manager is Gerald Hall, a 1958 graduate of Royal Oak Dondero High, who joined the firm in 1959 and recently completed the food distribution course of Western Michigan University. Hall is married and the father of a three-year-old daughter.

IN ADDITION to Kroger's U.S. Choice Tenderloin beef that Bill Wilson, meat department head, offers his customers, the store features an ever-widening selection of

conveniently arranged food and non-food items.

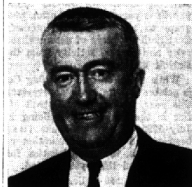

The new store has a Sander's bakery department as well as a special selection of gourmet foods and fine wines supervised by the head grocery clerk, Thomas Learst. The dairy department is supervised by Bill McKinley, a 1958 graduate of Birmingham High who lives at 156 E. Frank, Birmingham. McKinley joined the Kroger firm in October of 1967.

Harlan Tunson, the head produce clerk, is proud of the freshness and the variety of items he has to offer in his produce department and reminds his customers that everything he sells is backed by Kroger's "fresh-dated" guarantee.

IN ADDITION to the Kroger store the Bloomfield Commons offers shoppers a variety of smaller shops as well as medical and other professional offices.

These include Fisher Wallpaper, Janet Davis Cleaners, Juliet Woman's Wear and Emilie's Beauty Shop.

Sherman Drugs, a shoe shop, a men's wear and sporting goods shop, a restaurant, a barber shop and a Holiday Card and Book Shop. The 50-car parking lot will help make one-stop shopping a convenient and pleasant experience.

Elected President

Jack M. Gillespie, 3536 Darcy, Birmingham, has been elected president and chief executive officer of the Hansen Wholesale Lumber Corp. Gillespie has been a lumber broker for more than 20 years; he has also acquired an option to buy the Hansen firm which is in its 25th year of operation.
