SUN LIFE OF CANADA

"We found the money for college right in our own home!"

It happens every day! Thrifty people discover that, if they own their home and their mortgage is substantially reduced, they are in a good position to obtain cash quickly. They simply refinance at First Federal and we arrange repayment to fit their incomes. Let us explain how our home refinancing plans provide funds to educate a child, for weddings, for home improvements, to buy a cottage or retirement home—or for many other purposes. Just visit or phone any of the 19 First Federal offices listed on page 373 of the Detroit Telephone Directory or—Phone 965-1400
