Local 'Singing Ambassador' Returns from South America

By ELIZABETH YATES
MI 6-1682

Arriving home on Tuesday after spending six weeks touring South America with the Michigan Youth Chorale (a branch of the Youth for Understanding) was Jeff Keith, son of Dr. and Mrs. Kelly Keith of Parkman Drive.

The group of 66 teen-age "singing ambassadors" visited the countries of Argentina, Chile, Brazil and Uruguay during their travels. In the group with Jeff from Bloomfield Hills High School were Owen Pinkerman, John McKenzie, John Leffler and Sarah Peterson.

The Keith family, which also includes Judy, who has been spending the summer at Michigan State Nursing School, plans to spend a week at their cottage near Oscoda before the school bell rings in September.

A THREE-WEEK European sojourn was recently enjoyed by the Michael Bells of Butternut Hill Drive.

They joined a group of 23 adults and 25 Girl Scouts and departed on the "Royal Tours of Belgium" viewing the many highlights throughout Europe.

During their travels a courier speaking five different languages accompanied them via coach, plane and train, through the countries of Holland, Belgium, Germany, Italy, France, Switzerland, Austria, England and Scotland. While in Austria the Bells visited Eda and Hans Koch in Innsbruck, relatives of Mr. Bell.

A CAMPING TRIP through the West was enjoyed by Roger, Alice, David and their parents, the Forbes Sibleys of Pine Hill Drive, and grandmother Mrs. Harry Sibley of Pontiac.

Their two weeks began on a tour of northern Michigan, through Minnesota and Wisconsin. One week was spent camping and hiking on the trails at Glacier National Park. Another few days were spent at Yellowstone National Park.

Mrs. Sibley Sr., a very active 85 year old, didn't miss one of the hikes. Last year she joined

the family on a similar camping trip through Arizona.

This fall the Sibleys are looking forward to packing their gear for week ends through the north country to enjoy the autumn colors.

THE H. JOSEPH WRIGHTS of Whittier Drive and children, Tim, Claudia, Todd and Kelly, have been vacationing the past two weeks.

Tim and Claudia traveled on a week ahead of their parents with house guests, the Chester Dillons of Rockford, Ill.

The family visited in Rockford and Elgin, Ill., before spending a week at Lake Delaware in Wisconsin.

THE GEORGE GASTONS of Upton Road traveled to Holton Lake for a leisurely vacation without children this summer.

Mr. and Mrs. Alphonse Dusseau of Upton Road were house guests at the summer home of the J. U. Williams of Landerdale Lake, Wis. for four days recently. Joining them there were four couples from Chicago and St. Louis.

Frank and Mark Watts, sons of the Frank Watts of Pine Hill Drive, have returned home after a two-week stay at Camp Ta-Ho-Mee in northern Michigan.

Earlier this summer the family toured northern Michigan and the Upper Peninsula. Copper Harbor and the Porcupine Mountains were highlights of the trip.

BEAR LAKE in western Michigan was a long week-end destination of the Harry Seigels of Butternut Hill Drive.

They were guests of their son and family, the Charles Seigels.

The James Dugans of Butternut Hill Drive had relatives visiting them for a week. They were Mrs. Howard Hickman and son, Al, of Nashville, Tenn.

When the Harry Bixbys of Masefield Drive came home with a new char-broil barbecue they decided a suckling pig should be their first venture.

A potluck party was planned with immediate neighbors for the next Sunday afternoon. While the 20-pound pig, complete with apple

in its mouth, was turning on the spit the four families swam in the new pool of the Don Harries of Whittier Drive.

Then back to the Bibbys for the picnic before moving on to the Frank Fehrs of Whittier Drive and the David McClarys of Masefield Drive for cocktails, dancing and coffee.

PRESENTLY VISITING the Harry Bibbys for a few days are Mr. and Mrs. Henry Pokorny and sons, Roger, Paul and Larry, former friends and neighbors from Minneapolis, Minn.

On Saturday evening the Frank Fehrs of Whittier Drive will have soft green lights complimenting their patio and garden when they entertain area friends and neighbors at cocktails.

To Be Wed

Mr. and Mrs. Vernon W. Howle of Grosse Ile announce the engagement of their daughter, Brenda, to Thomas L. Boynton, son of Mr. and Mrs. Robert L. Boynton of 1273 Yorkshir, Birmingham. Brenda attends Western Michigan University, and Tom attends the University of Michigan. The wedding date is set for Feb. 6, 1965.
