

Fashion-Conscious Kindergarten Set

Blouson fashions are prime favorites for little people this fall. In this beguiling outfit the top, its small navy and white checks, is paired with a navy sleeveless dress with all around pleats.

She's a clothes-conscious little girl in an A-line dress of twill-weave fabric with inverted pleats both front and back.

Fall 1964's little princess wears a saten printed tunic with a ruffled yoke and push-up sleeves over tapered black corduroy slacks. This pert young miss was photographed in the Belgian Village at the World's Fair.
