**Families Enjoy Summer Fun in Co-Op Swim Pool**

By ELIZABETH YATES  
MI 6-1682

Every now and then a new idea is born as the one the William Dewey, the William Hostons and the John Balls, all of the Charnwood subdivision, came up with last summer.

It was an especially hot day when the three families met to enjoy each other's company. Before long the pros and cons of swimming pools were discussed and the idea came through loud and clear—that they needed was a co-op swimming pool!

Before the end of the day the plans were laid. The pool would be built on the Dewey property with each family sharing the cost and the maintenance. It was also decided if any of the families moved they would sell their share to the Deweys. Since the completion of the pool the three families have had nothing but enjoyment!

THE WILLIAM Hostons have just returned home from a two-week stay at their cottage near Empire in northern Michigan. The John Balls spent the first few days as their guests and the William Deweys arrived at the cottage to spend the last few days.

The James Herbets and children, Jim, Lynn, John, Chuck and Kitty, of Rock Spring Drive rented a boat and headed west on their vacation for three weeks.

On their adventuresome journey they traveled through the Tetons, Yellowstone National Park and stopped off in Billings, Mont. to visit friends. Glacier National Park and the Trans Canada Highway were another part of their journey before unlocking the door on Rock Spring Drive Friday night.

The Leo Hubschs of Chalgrove Drive have been touring the New England States during the past two weeks. Hinch flew to New York on business a few days ahead of Mrs. Hinch. On her arrival they visited the world Fair before their sojourn through the east.

THE MARK Jaroszewicz family of Butternut Hill Drive have been vacationing through the east. During their travels they visited New York, Boston and Washington, D.C.

Vacationing at Lake Skugog near Lindsay, Ont., for the past 10 days were the Robert Brandons and family of Pine Hill Drive.

Arriving on Labor Day weekend for a week's visit with the James Edgar family of Pine Hill Drive will be parents of Mrs. Edgar, Mr. and Mrs. M. J. Storey of Chatham, N. J., and John Storey.

Home from two weeks of cottage living near Oscoda are the Bernard Schmidts of Orchard Hill Drive and their three children, Pam, Carlen and Chip. During their stay, side trips were taken to historical points of interest in the area.

The Richard Hockins of Glyndebourne Road traveled to Chicago for a five-day visit with relatives last week. The mission was to introduce their pride and joy, eight-month-old daughter, Linda, to the clan.

The Leo Hubers and children, Sandy, John and Mike of Far Hill Drive spent a few days last week at the Boyne Mountain Lodge. On their return, Sandy flew to Georgetown, Ky., to visit her grandmother, Mrs. Bettie Ware, for 10 days.

THE BRUCE Hathaways of Oakhill Drive gathered their children and grandchildren together for family reunion recently, the first in two years.

Arriving from Champaign, Ill. for the reunion and a two-week visit were Mr. and Mrs. Harrison Cornell and children, Andrea, Lori and Catherine. From Toledo for the weekend were Mrs. Grace Hathaway and Mrs. Birm Chapsee. From surrounding areas came Mr. and Mrs. E. Russell and children, Donna, Linda and Blake, Mr. and Mrs. Bruce Hathaway, Jr. and children, Jeffrey, Julie and Janie.

Highlighting the reunion party was the 81st birthday celebration of Mrs. Grace Hathaway, grandmother and a great grandmother of the clan.

Miss Mary Lynn Kreucher, daughter of Mr. and Mrs. Raymond Kreucher of Chalgrove Drive was married to Robert Alan Johnson, son of Mr. and Mrs. Paul Johnson of Royal Oak, on August 8 at the Sacred Heart Catholic Church in Auburn Heights.

The maid of honor and junior bridesmaid were sisters of the bride, Judy and Sandy. Another bridesmaid was Sue Barnowski. The best man, Paul Johnson, brother of the groom, was given a leave from Annapolis to attend the wedding. A reception followed at the Elks Club of Troy and a two-week honeymoon was slated in the Pocono Mountains.

PRIOR TO the wedding the bride-elect was feted at showers given in her honor. Hosting the showers were bridesmaid, Sue Barnowski, and Mrs. Robert Gilpin of Cass Lake. Miss Patricia McLaughlin of Pontiac entertained at a "couples party" in their honor.

The Larry Rice family of E. Square Lake Road are knee deep in packing boxes after their move on Friday. Their new home is in the Kirkwood subdivision.

Independent studies show that service stations have available fire and traffic safety records. Service stations have one of the lowest rates of incidence of fire among all commercial establishments and in the area of traffic safety, accidents at service stations are so rare that few statistics-gathering agencies bother to keep separate figures on such mishaps.
