## Blood Bank Drive Begins In B'ham

Members of the First Baptist Church are bringing the blood-mobile unit of the American Red Cross to Birmingham Sept. 11 to help in building a more adequate supply of blood in the Birmingham Community blood bank.

The unit and staff will be at the church, 300 Willis, from 3 to 9 p.m.

In a special plea for donors on this occasion, the church workers calling members and others are stressing the increased needs of the fast growing community, and the extra demands for multiple units of blood and components required in open heart and other complicated surgery cases.

ANYONE WISHING to donate will be welcome whether they wish to assign their blood contribution to the Birmingham community bank, or transfer it as a blood credit to another bank of their own choosing for later use by themselves, their relatives or friends.

Coordinating efforts of the corps of workers calling prospective donors is Mrs. Currell L. Stanger, 1175 Key West Drive, Clawson, with Mrs. Harold A. Vota, 30375 Vernon Drive, Beverly Hills, serving as recruitment chairman. Mrs. H. M. Goodhue, 18155 Dunblaine, represents the Red Cross as chairman of the day.

Advance appointments are unnecessary, but they can be made or additional information obtained by calling Mrs. Vota.

## Anxiously Awaiting the News

Everybody seems to want one, but there just aren't enough to go around. New York papers are at a premium on Sunday mornings for those who want to know the news, in this particular instance at Wilson Drug Co. at Woodward and Maple. People wait in line to buy out of town papers that go on sale about 10:30 a.m. Dick Wilson, owner of the drug-store, said they usually get between 80 and 100 papers that are flown into Detroit from

New York on Sunday. Additional papers usually come in on Monday, but there is no control over quantity. It's first come, first served—papers can't be saved. How could 100 papers be saved for over 500 people requesting them? That is a problem, and while the Detroit newspaper strike continues, so will the problem of not enough papers for everyone.

## IT'S GOOD TO BELONG TO BLUE CROSS-BLUE SHIELD

"There are many reasons why I, as a teacher, value my Blue Cross-Blue Shield coverage so highly. Most important, perhaps, is the fact that, based on my salary, participating Blue Shield doctors accept the Blue Shield fee as full payment."  
(signed) Geo. W. Summers, Jr.  
Marquette, Mich.

"As a teacher, my classroom standards are high. Naturally I carry this over into other areas of interest to me. That's why I belong to Blue Cross-Blue Shield. In my opinion, when it comes to health care protection, they're the best."  
(signed) Judith Saponaro  
Detroit, Mich.

"Our family has had Blue Cross-Blue Shield for years and have always found it to be the best."
