Safran Printing Company of Detroit prints sections of Life en Espanol, Fortune Magazine, just about anything, in fact... except money. So when they need money (for expansion for instance) you will find Hy or Dave Safran in conversation with Boyd Stockmeyer (center), or one of our other Commercial Loan Officers. We have been providing financing and business council to Safran Printing Company since 1936... have helped them expand some 30 different times. Has it paid off for them? Sales have increased 93% and profits 100% in the last 6 years. That makes pretty good reading any way you print it, don't you think?
