

# Daly Brothers Furniture 48th Anniversary Sale

## Henredon Classic Bedroom at Sale-Prices

Rich, restrained elegance is the predominant feature of Henredon's Fontaine bedroom. The unpretentious grace of the late 18th Century design is found in the beautiful woods, fine fluted turnings, handpadded finishes and handsome brasses. These timeless ingredients are skillfully employed by Henredon's superior craftsmen to make the furniture magnificent to look at and a pleasure to own. The inherent beauty of the Amber, light-tone, distressed finish encourages minimum maintenance and permits full appreciation of this excellent cabinet wood. Also available in a combination Amber and Antique White at slightly higher prices. Shop and compare. There is a big difference where you buy your home furnishings.
