The Birmingham Eccentric

BIRMINGHAM, MICHIGAN
 SEPTEMBER 17, 1964

While many of mankind's individual contributions to society, be they personal or financial, are heralded within a neighborhood, or around this world (the latter depending on who and how much) mankind never would have held together except for the countless loving contributions, little or large sacrifices, made without sound of trumpet, or erection of monument. (These are recorded via Celestial diary-keeping.) (G.R.A.)
