Travels of DeRosiers Make for Busy Summer

By ELLI BLAUMANN
MI 7-1465

The Dr. Arthur DeRosier family of Bedford Road had a busy summer beginning 'way back last June when Gay, who had just graduated from Marian High School, went to Chicago to visit former Beverly Road residents, the Leo Linsmeyers.

Her parents picked her up later on and all three continued on to Muskegon, via the Milwaukee Clipper, where they were joined by sons Philip and Mark. After attending a wedding there, Dr. and Mrs. DeRosier went to Traverse City, Torch Lake, and Indian River before rejoining their children at home.

A short time later, they went to the Twin Lake cottage of Devonshire Road residents, Mr. and Mrs. Robert Austin, with Gay and Christine and guests from Detroit and Ann Arbor for one week.

On their return, Mrs. DeRosier attended the annual luncheon of her Beverly Hills Bridge Club which has met once a month for nearly 10 years. The luncheon held at the Forest Lake Country Club, was also attended by Mrs. Virgil Burgess, Mrs. Maynard Boukema, Mrs. George Dettlinger, Mrs. William Rigley, Mrs. Louis Barnardini, Mrs. Vincent Herman and Mrs. Harry Hall.

Dr. and Mrs. DeRosier ended their summer travels with a short trip to Toronto, accompanied by Mr. and Mrs. William Bailey of Locherbie Road, returning late Friday evening.

RETURNING BY jet last week from a grand tour of Europe were Mr. and Mrs. Charles Stinson of

Robin Hood Drive, who spent nearly one month on the Continent visiting London, Amsterdam, Bonn, Lucerne, Vienna, Rome and Paris.

Motoring through Germany, they were able to see much of it and enjoyed it and Switzerland particularly, hoping to return someday.

DR. AND MRS. Maynard Bailey of Arlington Road, accompanied by daughter Christina who is a senior at Groves, have returned from a seven-day vacation in the East, where they combined sight-seeing and visiting friends with campus-hunting for Christina.

They also stopped at Stratford to see the production of King Richard II, but the highlight of their trip was a three-day stay at West Yarmouth, Cape Cod, where they were the guests of the Charles Deeds of Eastlady Drive.

Mrs. Deuel, Debbie, Ruth Ann, and Charles, Jr. who spent one month on the Cape, were joined by Mr. Deuel who was with them for one week.

Both families came home in time for the children to attend the opening of school.

THE BEVERLY Hills Athletic Club closed its season with a family get-together on Labor Day and with pool director Ralph Nutter supervising the games, nearly everyone was in the pool competing for prizes.

Among the activities were water polo, relay swimming teams, and diving for pennies, while the children reached for candy in the wading pool.

Food arrangements for the affair were handled by Betty and Betty Chinn of Pierce Road.

NOTTINGHAM Forest was full of the sound of happy people last Sunday afternoon when approximately 350 residents arrived at the association-sponsored annual picnic.

Greeted by two gentlemen, W. R. Stinson and Frank Klotz, Jr., members and nonmembers alike began an afternoon of fun which included charcoal-grilled hot dogs and other picnic fare, as well as games and prizes for the small fry which were handled by a committee of teen-agers, and a father-son baseball game.

Social chairman Mrs. W. R. Stinson was assisted in the picnic preparations by Mrs. Frank Klotz, Mrs. Robert Brande, Mrs. Jack Andrews, Mrs. Robert Wisland, Mrs. Charles Stinson, Mrs. Robert Near, Mrs. D. H. Malouire, Mrs. Richard Rex, Mrs. Aloysius Miot, Mrs. Richard Judy, Mrs. James Quinn, Mrs. Richard Graham and Mrs. Dee Olson.

NEIGHBORS ON Birchwood Road carried their caseloads to the Gregory Frederick, Jr., residence last week for a summer's end potluck.

Invited were Mr. and Mrs. John Birney, Mr. and Mrs. John Cordes, Mr. and Mrs. Robert Latimer, Jr., the Chuck Copeland, K. J. Pierce, the Kent McDonalds and Mr. and Mrs. David Schutte.

Jack and Sue Putnam of Madison Road sent the kids off to school last week and headed for Cranbrook where they participated for the second time in the annual antique show held as a benefit for the Animal Rescue League.

THE CHARLES Buell family of Kirkshire Road are back from a camping trip which covered 5,000 miles, taking them through part of Canada and the northeastern United States.

They stopped at Montreal, saw the Thousand Island area, visited the historical area around Boston, Cape Cod, and Bar Harbor, stopped to see West Point and also took in the World's Fair during their one-month trip.

THE BERNARD Partridge family of Buckingham Road recently spent their fifth summer at Spruce Lodge on Hubbard Lake where they found the weather sunny but cold. However, this didn't prevent them or Craig, a senior at Brother Rice High, from swimming a couple of times.

Back from two weeks at a Lake Leelanau cottage are the D. A. Yardleys of Buckingham Road who were joined over Labor Day by the Rudolph Hanson family of Franklin.
