

Hockey Star Is Traveling Man

By GLORIA JESSUP

The forthcoming hockey season seems almost tame compared to the busy life that Gordie Howe and his family have led throughout the summer.

Gordie spent two months of the

summer traveling from one coast of Canada to the other as sports advisor for the T. Eaton Co. of Canada.

Being a family man, Gordie did not like being away from Mrs. Howe and Marty, 10, Mark 9, Cathy, 5, and Murray, 4, but during his travels he visited with

other members of his family. The three Howe brothers and five Howe sisters are scattered about Canada and Gordie saw all eight at one time or another.

DETROIT'S favorite hockey son was honored by being chosen Grand Marshal to open the Calgary Stampede. Gordie was repaid in his gala cowboy outfit.

Changing to a Scottish costume, he was the honored guest at the St. Andrew's Caledonian Society of Vancouver, British Columbia, celebration.

After returning home Gordie divided his time in August between the hockey school at Olympia and the Howe Skating Rink on the east side of Detroit.

While Gordie was traveling and beginning his skating at the two rinks, Mrs. Howe and the four children opened their new pool at home.

She, with the two older boys, also found time to go with Gordie for a few days to Toronto and then to Lake Simcoe for a five-day visit with Mr. and Mrs. Phillip Waite at the Waite's summer home.

RECENT HOUSE guest of the Howe family of Sunset Road was Gordie's older brother, Vern, who had just returned from four years in Germany with the Canadian Army. Like his younger brother, Vern has a great interest in children and hockey and during his stay in Germany was active in teaching hockey to the youngsters. It was a busy summer and looks like a busy hockey season ahead with the exhibitions getting under way, so our best wishes to Gordie and family and the Red Wings.

BACK IN the swing are the members of the Village Square Dance Club. They began their dancing season last Saturday at Northbrook School.

Chairmen of the first dance were Mr. and Mrs. John Leever. Their committee consisted of Mr. and Mrs. John Paulus, Mr. and Mrs. Joe Myzma and Mr. and Mrs. Steve Adams.

Gerald and Ruth Bowers were guests of Bob and Ann Bowers. Guests of the club included Gil and Fairy Heilrich, Jack and Mary Ann Shelby, Roy and Ruth Bozsa, Frank and Julia McAleer, Maury and Mickey Arin, Hal and Helen Cassin and Maury and Eva Griffin.

THE CRANBROOK Mixed Bowling League announces the new officers for the 1964-65 season that recently began rolling for the 10 pins. They are president, Ray Baldwin; secretary, Mrs. Lotus Smith; treasurer, Mrs. Harriet Griffith; and vice president, Bill Ince.

This begins the third year for the 12 teams of 24 couples that bowl at Star Lanes.

WITH THE COMING of fall many activities begin and others come to an end. One of those that just ended was the activity of the Cranbrook Swim Club. Members of the club recently went on a day's outing at Camp Dwarborn where they swam, water-skied and went paddle boating. The group, of approximately 80, then joined their families back at the club for a banquet and trophy awards.

Trophies were awarded to the winners in each age group. Marve Hooper and Tom Lawton (a three-time gold medal winner) took top honors in the 15-16 year old class. Jill Rollinger and Rick Streeby

won in the 13-14 class. A tie between Leslie Brown and Mary Ann LaComb developed for the 11-12 year-old girls with Craig Ortega winning the boys' trophy in that class.

OTHERS INCLUDED Linda Iglodan and Dave Larson winning the 9-10 year-old trophies and Jodi Yambor and Dan Green winning the 7-8 year-old trophies.

The two special coaches award trophies for the most points went to Craig Ortega and Jill Rollinger. Members of the team presented their manager Jim Yager with a sterling silver loving cup. Also receiving awards were the pool manager, Bruce Morey and mascot, Kurt Pfister.

The dance following dinner and awards wound up a busy day.

ON SEPT. 24, the Sanctuary Society of St. Bede's Catholic Church will sponsor a luncheon-fashion show at Plum Hollow Country Club. Proceeds from the event will help to furnish six classrooms recently added to the school.

The Leroy Jolls and daughter Kathy, 14, of Westbrook Park-

way recently returned from a month's trip to Europe. The family saw points of interest in England, Belgium, France and Holland and spent a week end in Paris.

MR. AND MRS. ALFRED W. Morlock are new residents of Spring River Drive. They lived in Detroit for the past eight years but are former Birmingham residents. Mr. Morlock recently retired from the Cadillac Division of General Motors. Both Mr. and Mrs. Morlock enjoy playing golf in their leisure time.

The Morlocks have two married daughters. They are Mrs. Allan Davis who resides in Detroit with her husband, and daughter Beth, and Mrs. Donald DeWitt of Higgins Lake.

The Higgins have two daughters, Donelle and Diana. They and Mrs. Higgins were guests of the Morlocks for a four day visit shortly after they moved to the area.

Last week the Morlocks celebrated their 38th wedding anniversary with Mrs. Morlock's brother-in-law and sister, Mr. and Mrs. Merl Taylor who returned to

their home in Florida the following day.

THE LATHRUP Players held their first regular meeting of the season Saturday evening at the home of Mr. and Mrs. Charles Buhler on Cedar Bend Drive, Bloomfield Hills.

It was a combined lawn party followed by a buffet dinner and then the regular meeting. Mrs. Tom Canan and Mrs. Bob Dodge were in charge of dinner arrangements.

"Pool Paradise" was chosen for the first production of the season. It will be presented Friday and Saturday evening, Nov. 20-21 at Birney School. Mrs. Glen Farrison will direct.

The regular monthly meetings will take place this year at Birney School since the merger of the Lathrup Players with the Lathrup Recreation system.

Longer Nights Mark Opening Of Fall Season

Autumn will begin at 7:17 p.m. Tuesday.

The sun's apparent arrival at the autumnal equinox marks the opening of the season when the night becomes longer than day, University of Michigan astronomer Hazel M. Losh explains.

"Since June 21, the sun has been steadily moving southward, and on the day of the equinox it will cross the equator," Professor Losh says.

The sun will rise and set almost exactly at the east and west points, and the day and night will be said to be equal.

"Strictly speaking, however, this is not true," Professor Losh points out. "Due to refraction of the sun by the earth's atmosphere, the hours when the sun is actually visible on Sept. 22 will exceed the time when the sun is out of sight by nine minutes."

EQUAL DAY and night will come on Sept. 29 and, from then on, the day will steadily grow shorter.

Another astronomical highlight of the month:

Five bright planets will be visible between sunset and sunrise, Saturn, rising in the southeast around sunset, is visible all night through. Rising around 10 p.m., to the north of east, is bright Jupiter.

Mars and Venus rise in the early morning. Tomorrow morning's greatest angular distance from the sun and will make its appearance in the east about an hour and one-half before the sun.

The international boundary line between the United States and Canada is crossed more often than any other in the world.
