

## Mayfair Duplicate Bridge Club Moves To New Quarters

The Mayfair Duplicate Bridge Club, directed by Marian Collins of Birmingham, is moving to larger quarters. This game was formerly held in the home of Mrs. Clarence Johnson of Farmington, but the group has now obtained an unoccupied home at 5330 Mid-

delbert Road, Birmingham, where they can handle bigger crowds. An evening night special championship event at the new address will be held on October 2. It will be an open pair's trophy game and there will be a charge.

The new headquarters will provide space for at least 20 tables on the main floor, and they can take care of an equal number in the basement. They also have ample parking space and it will be possible for a large number of cars to get in and out without delay. Mrs. Collins will direct the games with the assistance of her husband, Alan Collins. On opening night, they will be assisted by Hilda Murphy.

## B'ham Dems Hear Judicial Candidates

Members of the Birmingham Democratic Club will hear candidates for non-partisan judicial offices when they hold their first fall meeting Tuesday, Sept. 29, at 8 p.m. All candidates have been invited to appear.

The meeting will be held at the Birmingham Federal Savings and Loan Association, W. Maple and Lusher, Bloomfield Township. MRS. FAE WEISS will also appear to present the status of the proposed to adapt for Michigan the so-called "Massachusetts" ballot. Mrs. Weiss is a member of the Issues and Research Committee of the Oakland County Democratic Party. All voters are invited to attend, according to the President of the Birmingham Club, Harry J. McGowan, 110 Aspen, Birmingham.

"The judicial offices are entirely nonpartisan, and any voter will find this a convenient way to appraise the people who are seeking these extremely important posts," McGowan said.

"The question of the Massachusetts ballot is also nonpartisan in nature, although admittedly there are party viewpoints on the subject," he added.

COFFEE WILL be served at the meeting.

zens" allow such an official to be elected and then re-elected, then . . . (No nation can acquire good and competent public officials unless its citizens measure up to their civic duties and responsibilities. No such people who thus fail deserve good government . . . and when they get bad government they are well on the way to losing their liberty and freedom.)

"Without food, a nation cannot remain free; without armaments, a nation cannot win a war. Without the food to keep military men alive, armaments are of no use, and wars cannot be won. Therefore, what is the difference between giving your potential enemy what or guns?" These questions are on the minds of millions of Americans. Where is the answer?

Two girls were walking down the street one day when they noticed a lone sailor was following them for blocks. Finally, one of the girls turned around angrily: "Look here, sailor," she cried, "you either quit following us or get another sailor!"

Soviet archeologists recently claimed that they have unearthed the skeleton of an elaborately buried man who was interred no less than 30,000 years ago. Unless the famous Bobby Baker case is better investigated by the U.S. Senate, maybe his "elaborate burial" also will be unearthed centuries hence by a more dedicated committee of Senate archeologists.

meeting has been scheduled for tonight to discuss other building expansion plans.

Officials will meet with the architects for the Valley Woods addition and the new Evergreen site elementary school.

Dr. Smith said the schools should be "in a firm position" tonight to make decisions on the Valley Woods addition and enough information will be available on Evergreen site school to make preliminary drawings.
